information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.	navigation systems, Wi-Fi, automatic software updates, and other innovations aim to make driving more convenient. But vehicle technologies haven't kept pace with today's more hostile security environment, leaving millions vulnerable to attack. The Car Hacker's Handbook will give you a deeper	understanding of the computer systems and embedded software in modern vehicles. It begins by examining vul- nerabilities and providing detailed explanations of communica- tions over the CAN bus and between devices and systems. Then, once you have an understand- ing of a vehicle's communica- tion network,

vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Chrysler, Ford, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers cant beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches. Dundurn For 30 years, consumers have relied on Edmund's to get the valuable information and advice they need to choose wisely and to save time and money when purchasing or leasing a new automobile. With evaluations, worksheets and follow-up information and buying services, Edmund's enables today's information-age consumers to make and implement informed, cost-effective
