This report examines the application of plastics in European cars in the middle of the year 2000. It evaluates the changes in use and considers possible developments over the next decade. The use of plastics for specific components is examined, comparison is made between competitive materials and examples of commercial application are included. Estimates are presented for current plastics usage in European cars with forecasts to 2008.

Country Born HQN Books
Beach Reads A perfect poolside page-turner or beach read! AN INSTANT NEW YORK TIMES BESTSELLER “Curl up in your favorite reading chair and get lost in the pages of this book.”—Debbie Macomber, #1 New York Times bestselling author, on Country Strong Sometimes love is just out of reach... Rancher and military veteran J.P. McCall loves simple pleasures. The satisfaction of working his family's land. The freedom to come and go as he pleases. But ever since his two closest friends have married and started families of their own, J.P. realizes what he's been missing. He's known plenty of women, but now he craves finding The One. And then Sara Worth comes crashing back into his life. She's his buddy's sister, the woman who was always out of reach. Single mom Sara Worth has her hands full. After a disastrous early marriage, she is now writing bestselling books by day and caring for her two teenagers by night. That doesn't leave a lot of me time. But when an innocent request for J.P.'s help leads to an unforgettable kiss, she's intrigued—and unsure. Giving love a second chance feels impossible. But when the man from Sara's past resurfaces, threatening everything she holds dear, J.P. will do whatever it takes to protect the woman who's stealing his heart. These days, there are many advantages to buying a used car over a new car. Unfortunately, purchasing a used car may pose a greater risk to the consumer. A used car in its nature will most likely need more repairs, lack newer safety measures, and may come with a short warranty or none at all. That is why it is so important for consumers to do extensive research so they can avoid all of the pitfalls of the used car market category. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2006 edition of "Used Car Buying Guide." This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Reviews of every major model from 1998 - 2005 - Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car - Tips on negotiating the best price Reliability and crash test information - Making sense of safety information The majority of this book is devoted to the profiles of 256 cars and trucks, presenting all major 1998-2005 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made.
