As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz -- rich cars, poor quality. There's only one Saturn you should buy. Toyota -- enough apologies: "when you mess up, fess up."

The Power Report Intellichoice Incorporated

With a Haynes manual, you can do-it-yourself...from simple maintenance to basic repairs. "Since its first auto test 50 years ago, Consumer Reports has become the No. 1 source that car buyers turn to when buying a new or used vehicle" -USA Today. Consumer Reports is the definitive authority on unbiased automotive ratings.

Lemon-Aid Car Guide 2000 Intellichoice Incorporated

Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own electric car more than a decade ago You can save \$2,000 by cutting freight fees and "administrative" charges Diesel annual urea fill-up scams can cost you \$300, including an \$80 "handling" charge for \$25 worth of urea Lemon-Aid's 2011-12 Endangered Species List: the Chinese Volvo, the Indian Jaguar and Land Rover, the Mercedes-Benz Smart Car, Mitsubishi, and Suzuki USA Today Index Penguin Hardcover

Jim Snertzbaum is an easy target for his middle school classmates. With a name like his and a short chubby physique, he might as well have the old 'kick me' sign taped to his back. Unlike most of the young people around him, Jim matures quickly in mind and body. He is motivated to improve himself by two things: A teacher who takes an interest in him and the new kid that moves to town. He is already a financial success by the time he enters his junior year. When Jim steps on the football field that fall, he is laughed at by many of his peers and even by one of the coaches. It doesn't take long for the new improved Jim Snertzbaum to turn the animosity into admiration. Even his harshest critics have to admit that Jim, and his best friend Kat, are two of the finest high school players in the state.
