Creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe InDesign choose Adobe InDesign CC Classroom in a Book (2019 release) from Adobe Press. The 15 project-based step-by-step lessons show users the key techniques for working in InDesign. Designers will build a strong foundation of typographic, color, page layout, and document-construction skills that will enable them to produce a broad range of print and digital publications—from a simple postcard to an interactive Adobe PDF with form fields. The real-world tasks in this comprehensive book are presented in an easy-to-follow, step-by-step format and are designed to train beginning Adobe InDesign users in the program—from fundamental features to powerful layout and output skills. This book also enables experienced InDesign users to elevate their skills, understand best practices, and learn about new features. Enhancements in this version target usability and productivity, including the ability to browse fonts visually, using Content Aware Fit for intelligent image placement, use Layout Adjust to automatically adjust layout when changing page sizes, and quickly access common controls in the Properties panel. The online companion files include all the necessary assets for readers to complete the projects featured in each lesson. All buyers of the book get full access to the Web Edition: A Web-based version of the complete ebook enhanced with video and multiple-choice quizzes.

[Fuel Economy Guide](#) Macmillan Higher Education

Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be

sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a "Backdoor Roth IRA" and "Stealth IRA" to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor "Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place." - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street "Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research." - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books "This book should be in every career counselor's office and delivered with every medical degree." - Rick Van Ness, Author of Common Sense Investing "The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk." - Joe Jones, DO "Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis." - Dennis Bethel, MD "An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust." - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

[Adobe Photoshop CC Classroom in a Book](#) Haynes Manuals N. America, Incorporated SUVs have taken over America's roads. Ad campaigns promote them as safer and "greener" than ordinary cars and easy to handle in bad weather. But very little about the SUV's image is accurate. They poorly protect occupants and inflict horrific damage in crashes, they guzzle gasoline, and they are hard to control. Keith Bradsher has been at the forefront in reporting the calamitous safety and environmental record of SUVs, including the notorious Ford-Firestone rollover controversy. In High and Mighty, he traces the checkered history of SUVs, showing how they came to be classified not as passenger cars but as light trucks, which are subject to less strict regulations on safety, gas mileage, and air pollution. He makes a powerful case that these vehicles are even worse than we suspect—for their occupants, for other motorists, for pedestrians and for the planet itself. In the tradition of Unsafe at Any Speed and Fast Food Nation, Bradsher's book is a damning expos é of an industry that puts us all at risk, whether we recognize it or not.

[Living the RV Life](#) Macmillan Higher Education

New York Times Bestseller " Illuminating and very entertaining...a compelling read about someone who is much more than just the guy who sings for Iron Maiden. " —Loudwire A long-awaited memoir from the larger-than-life, multifaceted lead vocalist of Iron Maiden, one of the most successful, influential and enduring rock bands ever. Pioneers of Britain ' s nascent Rock & Metal scene back in the late 1970s, Iron Maiden smashed its way to the top, thanks in no small part to the high-octane performances, operatic singing style, and stage presence of its second, but twice-longest-serving, lead singer, Bruce Dickinson. As Iron Maiden ' s front man—first from 1981 to 1993, and then from 1999 to the present—Dickinson has been, and remains, a man of legend. But OTT front man is just one of the many hats Bruce wears. In addition to being one of the world ' s most storied and well-respected singers and songwriters, he is an airline captain, aviation entrepreneur, motivational speaker, beer brewer, novelist, radio presenter, and film scriptwriter. He has also competed as a world-class level fencer. Often credited as a genuine polymath Bruce, in his own words (and handwritten script in the first instance!), sets forth many personal observations guaranteed to inspire curious souls and hard-core fans alike. Dickinson turns his unbridled creativity, passion, and anarchic humour to reveal some fascinating stories from his life, including his thirty years with Maiden, his solo career, his childhood within the eccentric British school system, his early bands, fatherhood and family, and his recent battle with cancer. Bold, honest, intelligent and very funny, his memoir is an up-close look inside the life, heart, and mind of one of the most unique and interesting men in the world; a true icon of rock.

[The Language of Composition](#) Haynes Publications

Inspired by her beloved blog, dinnerlovestory.com, Jenny Rosenstrach ' s Dinner: A Love Story is many wonderful things: a memoir, a love story, a practical how-to guide for strengthening family bonds by making the most of dinnertime, and a compendium of magnificent, palate-pleasing recipes. Fans of " Pioneer Woman " Ree Drummond, Jessica Seinfeld, Amanda Hesser, Real Simple, and former readers of Cookie magazine will revel in these delectable dishes, and in the unforgettable story of Jenny ' s transformation from enthusiastic kitchen novice to family dinnertime doyenne.

[2020 National Building Cost Manual](#) Consumer Guide Books

The autobiography every true American has been waiting for: a shockingly candid and raw confessional from a national treasure. From his humble beginnings in a desolate Iowa coal mining town, his years at Our Lady Queen of Chewbacca High School to his odds-defying climb to the dizzying heights of becoming America ' s most trusted and beloved television News Anchor, Ron Burgundy pulls no punches in Let Me Off at the Top! In his very own words

Burgundy reveals his most private thoughts, his triumphs and his disappointments. His life reads like an adventure story complete with knock down fights, beautiful women and double-fisted excitement on every page. He has hunted jackalopes with Bobby Kennedy and Peter Lawford, had more than his share of his amorous exploits, and formed the greatest on-air team in the history of televised news. Along the way, he hobnobbed with people you wish you knew and some you honestly wish you didn't -- celebrities, presidents, presidents' wives, celebrities' wives, dogs, and, of course Veronica Corningstone, the love of his life. Walter Cronkite, Barbra Streisand, Katie Couric, the list goes on. Who didn't Mr. Burgundy, or "Ron" as he is known to his friends, rub elbows with in the course of his colorful and often criminal life? This may well be the most thrilling book ever written, by a man of great physical, moral and spiritual strength and not surprisingly a great literary talent as well. This book deserves a real shot at a Pulitzer Prize. In fact if it doesn't win one then we will finally have proof that the Pulitzer is rigged. Ron Burgundy has taken the time to write a book. We owe it to him, as honest Americans, to read it.

The 2002 Used Car and Truck Guide MIT Press

From picking out the right vehicle to signing on the dotted line, this guide helps the used car or truck buyer every step of the way. Includes evaluations of cars, trucks, SUVs, and minivans.
