100 years ago two sister set out to ride across America on motorcycles. They did it to show the US military that they were very capable motorcyclists after they were denied to be motorcycle messengers in WW1. Their names were Adeline and Augusta Van Buren. 100 years later the Sister Centennial Ride took 100 women across

america following a similar route New York to San Francisco. This book is in celebration of those riders, the Van Buren sisters, and 100 years of women motorcycle adventurers.

The Mystery of the Pantomime Cat Causey Enterprises, LLC

New York Times Bestseller The new must-read epic from master storyteller Ken Follett: more than a thriller, it ' s an action-packed, globe-spanning drama set in the present day. " A compelling story, and only too realistic. " —Lawrence H. Summers, former U.S. Treasury Secretary " Every catastrophe begins with a little problem that doesn ' t get fixed. " So says Pauline Green,

president of the United States, in Follett ' s nerve-racking drama of international tension. A shrinking oasis in the Sahara Desert; a stolen US Army drone; an uninhabited Japanese island; and one country ' s secret stash of deadly chemical poisons: all these play roles in a relentlessly escalating crisis.

Struggling to prevent the outbreak of world war are a young woman intelligence officer; a spy working undercover with jihadists; a brilliant Chinese spymaster; and Pauline herself, beleaguered by a populist rival for the next president election. Never is an extraordinary novel, full of heroines and villains, false prophets and elite warriors, jaded politicians and opportunistic revolutionaries. It brims with cautionary wisdom for our times, and delivers a visceral, heart-pounding read that transports readers to the brink of the unimaginable.

OCTOBER 1998 Causey Enterprises, LLC  
Harley-Davidson's Softail line is one of Harley's best-selling series, and in fact is one of the most

---

popular large-displacement motorcycle series in the world. No question, the Softail defines the cruiser genre, the best-selling segment in the U.S. motorcycle market. Combine the bikes' popularity, their beautiful design, and the relative few books on the subject, and Harley-Davidson Softail is the perfect choice for Harley enthusiasts. This Softail bible discusses the story behind the original Softail chassis, built and marketed by Bill Davis before being purchased by Harley, and continues by focusing on the various Softail models, such as the Heritage, Springer, Fat Boy, and the latest Softail series, which uses the innovative dual counterbalanced Twin Cam 88B engine.

WALNECK'S CLASSIC CYCLE TRADER, MARCH 1999 Penguin Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that

---

state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to

transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set. Western Aerospace Causey Enterprises, LLC
