Crime and Everyday Life offers a bold approach to crime theory and crime reduction. Using a clear, engaging, and streamlined writing style, the Sixth Edition illuminates the causes of criminal behavior, showing how crime can affect everyone in both small and large ways. Renowned authors Marcus Felson and Mary Eckert then offer realistic ways to reduce or eliminate crime and criminal behavior in specific settings by removing the opportunity to complete the act. Most importantly, this book teaches students how to think about crime, and then do something about it.

Rural homesteaders and urban apartment-dwellers alike will find a mother lode of practical information packed into this completely revised and updated edition of the ultimate how-to handbook for all generations. A selective compendium of public-domain documents, it brings together in one volume a wealth of knowledge and useful instruction on just about every imaginable aspect of self-sufficiency—from building a dwelling and growing food to raising children, using tools of all kinds, and, yes, getting more mileage out of your car. Readers will learn how to: build a greenhouse; administer first aid; stock an emergency shelter; survive in the wilderness, at sea, and in the city; plant, buy farmland; grow plants indoors and out; read architect's drawings; care for household pets; repair clothing; hunt, trap, and fish; repair a screen or leaking faucet; butcher and store big-game kill; relieve allergy symptoms; control insects; stay safe during storms and floods; can and freeze fruits and vegetables; take your own blood pressure; and much, much more! Praise for a previous edition: "How we have survived this long without [this book], I don't know. The concept is brilliant and simple. . . . If we had lived in a rural community a century ago, much of the knowledge gathered here would have been in our bones." —Harper's

The Most Trusted Name in Tax Helps Small Business Owners Maximize Their Bottom Line If you're a small business owner, you probably have an idea of how taxes can affect your business. But unless you're a tax expert, you might not realize all the ways a small business can benefit from both new and current tax laws. Let small business and tax expert Barbara Weltman show you—as a small business owner—how to maximize deductions and reduce your payments to the minimum. J.K. Lasser's Small Business Taxes, Sixth Edition gives you a complete rundown of small business tax planning in plain English, helping you take advantage of every tax break you're entitled to. Focusing on strategies that help you use deductions, credits, and other benefits to save during tax time, this comprehensive guide is all you need to keep up with Uncle Sam. The invaluable advice in this book will show you how your actions in business today can affect your bottom line from a tax perspective tomorrow. In this volume, you'll find: Detailed coverage of new tax laws and IRS rules Comprehensive information on each deductible expense, including dollar limits and record-keeping requirements Clear instructions on where to report income and claim deductions on your tax forms Sample forms and checklists to help you prepare for tax time Planning strategies that can help you run a tax-smart business all year long New in this edition: help with employment taxes, state taxes, and a guide to information returns you may need to file

Ford Explorer 2002 thru 2010 CRC Press

Buying a car can be a smart idea - a car loses the lion's share of its value when it is driven off the new car lot, so why let someone else take that loss? But buyer beware: A used car is likely to need more repairs and may come with a short warranty or none at all. In addition, used cars may lack the latest safety features. That is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of USED CAR BUYING GUIDE. This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Unbiased reviews of every major model from 1999 - 2006- Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car- Best used cars for gas mileage- Tips on negotiating the best priceReliability, recalls and crash test information- Making

sense of safety information -How to get the most money when trading in your current car The majority of this book is devoted to the profiles of 264 cars, minivans, SUVs and trucks, presenting all major 1999-2006 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made.
