Mazda 6 Automotive Repair Manual, 2003-2011

With its arrival in the United

States in 1990, the Mazda Miata inspired the return of the open roadster. Though other makes and models followed, the Miata remains the convertible sports car of choice for budget-conscious enthusiasts, as popular in autocross and amateur racing circles as it is among pleasure drivers. This book shows readers how to make the most of any Miata: what to look for in a used model and how to perform common maintenance and repairs, as well as over 15 projects to improve performance and appearance. Focusing on the engine, wheels and tires, suspension, body kits, interior, and more, the projects include full details on required parts, cost, time, tools, and skill necessary for completion. With easy-to-follow directions and clear illustrations, this handy guide is a virtual road map for taking the Miata the full distance.
