Alcoholism, a Treatment Manual Penguin

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as *Auto Repair For Dummies*, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start.

Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the *Los Angeles Times* and has been interviewed on the *Today* show, *NBC Nightly News*, and other television programs.

This book provides a general introduction to and description of North America's major drug of abuse: alcohol. Multidisciplinary in approach, the Manual addresses itself to the variety of methods. The reader is given observable, behavioural, and "here-and-now" techniques for treatment as well as answers to such fundamental questions as: What effects does alcohol have on the individual? How do we treat the alcoholic? How successful are we in our efforts? The Manual was

written as a guide for frontline workers - those who need practical answers to questions that are beyond the scope of the alcohol clinic pamphlet but are too general for the highly technical or specialized reference work. It should appeal to counselors, therapists, educators, physicians, nurses, law enforcement officers, administrators, and social workers. It will also be of interest to lay readers interested in the field of alcoholism and its treatment.
