Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching, and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders, and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy-to-follow lists and diagrams, and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guides them through the process of selecting a web design agency, and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a

jargon-free overview of web design, including accessibility, usability, online marketing, and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.

A national bestseller! Breast cancer surgeon Dr. Kristi Funk offers a comprehensive and encouraging approach to breast care and breast cancer. Empower yourself with facts and strategies to understand your breasts, reduce your cancer risk, and open your eyes to interventions and treatments. Most women don't want to hear about breast cancer unless they have it and need to make some decisions, but these days news about breast cancer—the number one killer of women ages twenty to fifty-nine—is everywhere. Chances are you know someone who has had it. But did you know that choices you make every day bring you closer to breast cancer—or move you farther away? That there are ways to reduce your risk factors? And that many of the things you've heard regarding the causes of breast cancer are flat-out false? Based on Dr. Kristi Funk's experience as a board-certified breast cancer surgeon, she knows for a fact that women have the power to reduce breast cancer risk in dramatic ways. Many women believe that family history and genetics determine who gets breast cancer, but that's not true for most people. In fact, 87 percent of women diagnosed with breast cancer do not

have a single first-degree relative with breast cancer. This book will help you: Learn the breast-health basics that every woman should know Reduce your cancer risk and recurrence risk based on food choices and healthy lifestyle changes backed by rigorous scientific research Understand the controllable and uncontrollable risk factors for breast cancer Outline your medical choices if you're at elevated risk for or are already navigating life with breast cancer There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, and make informed medical choices after treatment—until now. With her book available in 10 languages and in more than 30 countries, Dr. Funk is passionate about her mission of educating as many women as possible about what they can do to stop breast cancer before it starts. Praise for *Breasts: The Owner's Manual*: “Dr. Funk writes *Breasts: The Owner's Manual* just like she talks: with conviction, passion, and a laser focus on you.”—Dr. Mehmet Oz, Host of The Dr. Oz Show “*Breasts: The Owner's Manual* will become an indispensable and valued guide for women looking to optimize health and minimize breast illness.”—Debu Tripathy, MD, Professor and Chair, Department of Breast Medical Oncology, University of Texas MD Anderson Cancer Center “*Breasts: The Owner's Manual* not only provides a clear path to breast health, but a road that leads straight to your healthiest self. As someone who has faced breast cancer, I suggest you follow it.”—Robin Roberts, Co-anchor, Good Morning America

Home Education is a groundbreaking exploration into the art of cultivating a rich and vibrant learning environment within the confines of one's home.

Mason, a visionary educator, lays out a compelling philosophy that transcends traditional schooling methods, focusing on the holistic development of a child's mind, character, and habits. Through the lens of living books, nature study, and a thoughtful approach to discipline, Mason offers a refreshing perspective that empowers parents to provide an education that is not only intellectually rigorous but also fosters a love for learning. In this timeless work, Mason provides practical insights into the daily rhythms of home education, emphasizing the importance of cultivating an atmosphere of curiosity and wonder. She advocates for the use of living books—engaging and narrative-rich texts that ignite a child's imagination and create a genuine connection to the subjects studied. Additionally, Mason encourages the integration of nature into the learning experience, promoting outdoor exploration and observation as essential elements of a well-rounded education. Home Education serves as a guide for parents seeking an alternative, more personalized approach to education that goes beyond rote

memorization and standardized testing. Charlotte Mason's philosophy, outlined with clarity and conviction, resonates with those who aspire to nurture not only academically proficient individuals but also compassionate, well-rounded human beings. This book is a compelling resource for anyone looking to embark on a transformative journey in home-based learning.

The Way of the Mysterial Woman is for every woman who feels the call into greatness, authenticity, and meaningful living. This is The Way for women who are stepping into their lives with mind, body, heart, and soul fully engaged, ready to awaken to their true potential. We hear the

clarion call, but how will we meet it? It's almost like we need a completely new internal operating system. The Mysterial Way is the upgrade we've been searching for. Women's leadership development pioneers and co-authors Suzanne Anderson and Susan Cannon know that we're not alone in our yearning to meet this call. In fact, they assure us that this is a naturally occurring global imperative for women. The Way of the Mysterial Woman reveals a Feminine source code, helping us once and for all break through our old limitations, and effectively take our lives to the next level so we can meet the unique callings and urgent challenges of these dynamic times. This is not a passive book for armchair travelers. Drawing upon real life success stories, based on their 12 years of running University certificate women's leadership programs, readers are guided through a step-by-step, transformative "Mysterial Sequence." Each interactive chapter offers practical and fun insights and practices that compel us toward genuine shifts and solid growth. The Way of the Mysterial Woman is a blend of cutting edge transformational psychology, ancient Mystery school secrets, and visionary evolutionary thinking delivered in a warm, down-to-earth style. Here is the elegant code we've been searching for that finally unlocks our greatest potential.
