Though one of America's best known and loved novels, Mark Twain's Adventures of Huckleberry Finn has often been the object of fierce controversy because of its racist language and reliance on racial stereotypes. This collection of fifteen essays by prominent African American scholars and critics examines the novel's racist elements and assesses the degree to which Twain's ironies succeed or fail to turn those elements into a satirical attack on racism. Ranging from the laudatory to the openly hostile, these essays include personal impressions of Huckleberry Finn, descriptions of classroom experience with the book, evaluations of its ironic and allegorical aspects, explorations of its nineteenth-century context, and appraisal of its effects on twentieth-century African American writers. Among the issues the authors contend with are Twain's pervasive use of the word "nigger," his portrayal of the slave Jim according to the conventions of the minstrel show "darker," and thematic chaos created by the "evasion" depicted in the novel's final chapters. Sure to provoke thought and stir debate, *Satire or Evasion?* provides a variety of new perspectives on one of this country's most troubling classics. Contributors: Richard K. Barksdale, Bernard W. Before Women Had Rights, They Worked - Regardless. Life in the Iron Mills is a short story (or novella) written by Rebecca Harding Davis in 1861, set in the factory world of the nineteenth century. It is one of the earliest American realist works, and is an important text for those who study labor and women's issues. It was immediately recognized as an innovative work, and introduced American readers to "the bleak lives of industrial workers in the mills and factories of the nation." Reviews: Life in the Iron Mills was initially published in The Atlantic Monthly, Vol. 0007, Issue 42 in April 1861. After being published anonymously, both Emily Dickinson and Nathaniel Hawthorne praised the work. Elizabeth Stuart Phelps Ward was also greatly influenced by Davis's Life in the Iron Mills and in 1868 published in The Atlantic Monthly "The Tenth of January," based on the 1860 fire at the Pemberton Mills in Lawrence, Massachusetts. Focusing on the overarching theme of religious satire in Adventures of Huckleberry Finn, this study reveals the novel's hidden motive, moral and plot. The author considers generations of criticism spanning the 19th, 20th and 21st centuries, along with new textual evidence showing how Twain's richly evocative style dissects Huck's conscience to propose humane amorality as a corrective to moral absolutes. Jim and Huck emerge as archetypal twins--biracial brothers who prefigure America's color-blind ideals.

Life on the Mississippi (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the war. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi". Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger, referring to himself as a "fledgling" and a "boy" who "ran away from home" to seek his fortune on the river, and playing up his own callowness and naïveté.

In Teaching Literature scholars explain how they think about their everyday experience in the classroom, using the tools of their ongoing scholarly projects and engaging with current debates in literary studies. Until recently, teaching has played second fiddle to literary research as a mode of knowledge in academia, leaving new teachers with nowhere to turn for advice about teaching and no forum for discussion of the difficulties and opportunities they face in the classroom.
