Excel Test Skills - General Ability Tests Year 5 is the third in a four-book series for Years 3-6 which help students with the skills they need to excel in general ability tests. General ability test ing covers areas such as logic, general knowledge and reasoning, and for ms part of many primary school tests used throughout Australia. T he book contains: sample questions covering all the main qu estion types found in Year 5 general ability tests a section of practice questions with hints on how to answer each different type of q uestion twelve practice tests to measure progress help ful advice for sitting general ability tests answers to all que stions, plus explanations

when required. An amount of mystery surrounds general ability testing. This is probably because it is not an actual subject such as Science or Mathematics. General ability testing is based upon the student's ability to think and reason, but most of the questions are based on normal classroom subject matter. This practice book is intended to demystify GA tests, thereby giving the student the confidence to respond positively to the test and maximise his/her score. Ready to Test, Grade 5
