The Meta Incognita Project was initiated to cast new light on the Arctic voyages of Martin Frobisher and their significance for the histories of North America and Britain. Although the Elizabethan venture failed to discover a northwest passage to mines and precious metals, and to establish a colony in the future Canadian Arctic, it left valuable legacies.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume,

black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
