The development of good
reading and writing skills is
essential not only for success
in school but also for success
in life. Writing daily will help
your student develop their
writing skills. Practicing
sentence development is a
fundamental key to
becoming an excellent
writer. The 1st Grade Writing
Journal can be used in
conjunction with ready-made
story-starters. It can be used
daily by student writers to
record their daily activities,
adventures, and imaginative
thoughts. Journals can help
students clarify their
thoughts. Taking time to jot
down feelings and thoughts
about daily events can give
young writers an opportunity

to discover what they think
and how they feel about
different topics. Writing in a
journal is comfortable for
beginning writers because it is
a casual and informal process.
It isn't structured or graded.
Students are allowed to free-
write and become immersed
in expression. Students
should be allowed to write
about different topics, which
will give them the opportunity
to improve their writing skills
while exploring their thoughts
without being chastised for
grammar, usage, or other
errors. Let this journal be an
"idea book"--a place where
the student is free to "think" in
writing.
