The pacing guides for Grade K-8 have been revised to align with the new Common Core State Standards (CCSS) for English language arts and math. Those that have been aligned to CCSS are in a "draft" format this academic year so our teachers and staff can add features, as well as work out any bugs that are associated with implementing the new pacing guides to Common Core.

5th Grade ELA Pacing Guide {Free} Last year, I shared my 5th grade math pacing guide and several requested an ELA one. On this post, I will share a printable download of my 5th Grade ELA pacing guide using the common core state standards. The post will also include some general information and rationale behind my specific pacing decisions.

As mentioned above, this pacing guide is aligned to the 5th grade common core math standards. The guide includes the math skill with the common core standard with which the skill correlates. In addition to the time frame and sequence of skills, I also included my rationale and reasons for teaching the skill at that point in the year (or my reasons for teaching that skill before or after other math skills).

### **Fifth Grade Pacing Guide, 2016-2017 Traditional**

This pacing guide is designed with a few different purposes in mind: a) Provide continuity within all elementary schools in Scott County so that students who transfer from school to school will not miss large chunks of instruction, b) Allow each school to have the flexibility to group concepts within a specific 9 weeks in a sequence that is most appropriate for them.

### **Mathematics / Elementary Pacing Guides**

In fifth grade mathematically proficient students look closely to discover a pattern or structure. For instance, students use properties of operations as strategies to add, subtract, multiply and divide with whole numbers, fractions, and decimals.

They examine numerical patterns and relate them to a rule or a graphical representation. 8.
