Please note: This is a companion version & not the original book. Sample Book Insights: #1 I hate reading long things. If you're not interested in reading my entire guide on the different types of RVs, skip to the bottom to see my pick for each category. -> There are three types of RVs: motorhomes, trailers, and campers. Within these types, there are many different options. Before you go shopping, let's go over the different features of each. #2 Class A RVs offer the most space, but they also come with the highest initial cost. #3 Class A RVs offer the most space, but they also come with the highest initial cost. Class C RVs offer the most space for the least amount of money. Class C's are great for fast or moderate-paced travel, regardless of gas mileage. #4 Class B's are smaller than A's and C's, offer the least amount of space for the most money, and are often as expensive as C's. They are not as beautiful nor as well-equipped as Class A or C RVs.

Have you ever thought someone was watching you . . . but there was no one there? One summer's evening, Alice sees something out of the corner of her eye. She turns to look: just a trick of the light. She is no longer the lonely little girl she once was, with her games of make-believe and imaginary friend, Sam. Then Alice's world is shattered in a tragic accident, and Sam creeps out of the shadows and back into her life. At first Alice is comforted by his presence: a best friend to help fill the void in her heart. Perhaps even help her find someone real to share her life with. But Alice and Sam know he can only exist if she wants him there. So when Alice decides it's time for him to leave, who will get hurt in order for him to stay alive? A compelling novel that fans of page-turners such as Clare Mackintosh's I LET YOU GO and S. K. Tremayne's THE ICE TWINS will be gripped by.

Whether you're still dreaming about the perfect camper or looking for practical information, Camper Rehab is your top to bottom guide to getting any camper trailer road ready. From Airstreams and Apaches to Shastas and Winnebagos, classic campers have an undeniable appeal! But how do you know which one will work for you? Or if the one you have your eye on is a good deal or a money pit? Before you get too far down the road, picturing it bouncing along behind the family car, arm yourself with the information you need for all things camper. Campers are not quite homes or cars. They have their own unique systems and demands that make fixing and upgrading a challenge. Even if you are fluent in DIY, campers might seem like a foreign language. Consider Camper Rehab your Rosetta Stone: Covers camper options: Whether you're considering a fifth-wheel, teardrop, pop-up, or other style of camper trailer, this book runs through all the popular choices. Buying guide: Camper Rehab walks you through the process of evaluating a potential purchase, identifying which issues are fixable and which are deal-breakers, as well as how to spot hidden problems. How-to tutorials: From basic troubleshooting to electrical and plumbing projects, replacing interior surfaces, and clever decorating ideas, there's not shortage of how-to information. Special considerations: How do you work with painted aluminum siding? What's the best way to re-caulk camper seals and seams? How can you re-align a camper door? Even those handy with automotive DIY are sure to learn a thing or two! Visually driven: You'll find detailed illustrations as well as extensive color photography to help you get your travel trailer into shape for your next big—or little—adventure. Written by accomplished DIY author Chris Peterson, whose light and approachable tone is coupled with the hardworking DIY information you need, Camper Rehab is a must-have for anyone with a camper—or seriously considering one!

This book, I have written, has helped to release all the tension I had with the obstacles I met along with the raising of this family. With the farm life and the large family, including a son with

birth defects and Down ' s syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby ' s case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book will prove to be an inspiration to any and all who have the privilege of reading it.
