Since its introduction in 1975, the BMW 3-series has earned a reputation as one of the world's greatest sports sedans.

Unfortunately, it has also proven one of the more expensive to service and maintain. This book is dedicated to the legion of BMW 3-series owners who adore their cars and enjoy restoring, modifying, and maintaining them to perfection; its format allows more of these enthusiasts to get out into the garage and work on their BMWs-and in the process, to save a fortune. Created with the weekend mechanic in mind, this extensively illustrated manual offers 101 projects that will help you modify, maintain, and enhance your BMW 3-series sports sedan. Focusing on the

1984-1999 E30 and E36 models, 101 Performance Projects for Your BMW 3-Series presents all the necessary information, covers all the pitfalls, and assesses all the costs associated with performing an expansive array of weekend projects.

Enterprise Bentley Pub

The chaise-longue by Le Corbusier, the radio by Rams, the chair by Eames – designers make things into cult objects and become icons themselves. But who knows which coupé was designed by Frua, which limousine by Engel, which station wagon by Opron? For a long time, car design was considered to be anonymous, the designers stood in the shadow of the perception of the design, even though their designs can be found on the roads in millions. This richly illustrated book captures the origin of a profession and maps the development of car design based on a comprehensive introduction and the career biographies of over 200 selected designers who contributed to the design of cars and many different associated products in the USA, Europe, and Japan between 1900 and 2000.

Engineering and Performance

An exclusive look at one of the world's most successful and controversial companies, and the mysterious family behind it. BMW is arguably the most admired carmaker in the world. Its financial performance is the envy of its competitors, and BMW products inspire near-fanatical loyalty. While many carmakers struggle with falling sales, profits and market share, demand for BMWs continues to grow, frequently outpacing production. Now, David Kiley-Detroit Bureau Chief at USA Today and author of *Getting the Bugs Out*, which covered Volkswagen's demise and rebirth, goes inside the fabled German automaker to see how it does what it does so well. With unprecedented access to BMW executives, Kiley goes behind the walls of BMW's famed "Four Cylinders" headquarters in Munich at a time when the company is in its most aggressive, and some say riskiest, expansion in its history and when some of the company's new products, like the 7 Series sedan and Z4 roadster, are for the first time drawing as many barbs from critics as bouquets. Kiley covers intimate details of the boardroom drama surrounding the company's nearly disastrous acquisition and subsequent sale of the British Rover Group and its expansion into selling MINI and Rolls Royce cars. Besides being a world-class carmaker, BMW is also considered one of the smartest consumer marketing companies and Kiley explores the extraordinary value and management of the BMW brand mystique. He also takes a revealing look at the mysterious and ultra-private Quandt family of Bad Homburg Germany, which owns a controlling stake in BMW: Johanna and Susanne Quandt, two of the wealthiest women in Europe and Stefan Quandt, one of the wealthiest bachelors on the continent. David Kiley (Ann Arbor, MI) is the Detroit Bureau Chief at USA Today who has covered the auto industry for 17 years. He has been featured on Nightline, CNBC, CNN, MSNBC, NPR and the Today show. He is also the author of *Getting the Bugs Out: The Rise, Fall, and Comeback of Volkswagen in America* (0-471-26304-4), also available from Wiley.

Sports Cars Illustrated Robert Bentley, Incorporated

Few cars in recent years have inspired such devotion among enthusiasts as the BMW M3. Now entering its fifth generation, BMW's compact performance car is recognized worldwide as the benchmark of its type. BMW M3 - The Complete Story looks in detail at the first four generations of the M3, which arrived in the mid-1980s as an E30 'homologation special', intended to keep BMW ahead of rivals Mercedes-Benz on the racetracks. But the M3 soon became very much more than that. Before long, buyers latched onto its exclusivity and turned it into a status symbol - and BMW was only too happy to exploit that. For all fans of the BMW M3, this book provides the essential background. It is packed with facts and details that make the M3 legend come alive. With over 250 photographs, the book covers: the original E30 M3 of 1986 - from a 'homologation special' to a status symbol; design and development of the E36 M3, including a new 6-cylinder engine and more body choices; the E46 M3 of 2000, with the developed 6-cylinder S54 engine and gearshift advances; racing success for the E90-series M3s, introduced in 2007 with V8 engines; driving, buying and special editions of all the models.

THE MUST-READ RICHARD & JUDY BOOK CLUB PICK. Chilling, moving and unputdownable, *The Memory Wood* is a thriller like no other. 'Beautifully told, with two superbly drawn young protagonists, Lloyd is a rare new thriller talent' Daily Mail 'Superbly creepy, with an unexpected twist' Guardian ***** Elijah has lived in the Memory Wood for as long as he can remember. It's the only home he's ever known. Elissa has only just arrived. And she'll do everything she can to escape. When Elijah stumbles across thirteen-year-old Elissa, in the woods where her abductor is hiding her, he refuses to alert the police. Because in his twelve years, Elijah has never had a proper friend. And he doesn't want Elissa to leave. Not only that, Elijah knows how this can end. After all, Elissa isn't the first girl he's found inside the Memory Wood. As her abductor's behaviour grows more erratic, chess prodigy Elissa realises that outwitting

strange, lonely Elijah is her only hope of survival. Their cat-and-mouse game of deception and betrayal will determine both their fates, and whether either of them will ever leave the Memory Wood . . .

***** Praise for Sam Lloyd 'An intense, atmospheric, and truly original thriller' Shari Lapena, author of *The Couple Next Door* 'Remarkable. Stunning prose and compulsive reading. It's undoubtedly the best thriller I've read in a long, long time' Lesley Kara, author of *The Rumour* 'I haven't read anything quite this exciting since *Room*. You think all the stories have been told, then something like this comes along' Emma Curtis, author of *The Night You Left* 'Brilliant writing, a terrifying story, and characters so real it feels like you know them. If you enjoy dark, twisty thrillers that stay with you, read this book' Samantha Downing, author of *My Lovely Wife*
Readers love *The Memory Wood* 'A very clever psychological thriller. Dark, creepy and intense.' ***** 'Deliciously dark... fresh and imaginative.' ***** 'The twists and turns in *The Memory Wood* will astound. This book is undoubtedly the best I've read this year.' ***** _____ *****

THE RISING TIDE, Sam Lloyd's electrifying new thriller, is available now****
