ONE IS his beloved. Leaving L.A.'s Parker Center, Shane Scully and his wife, Alexa, agree to meet at home...but Alexa never arrives. Then Shane's called to a crime scene on Mulholland Drive, where the victim, an apparent gang member, has been executed—and left in Alexa's car. Her gun is the likely murder weapon. THE OTHER Is his Nemesis. As

Shane desperately tries to find Alexa, his leads point to a feud between two gangsta-rap record companies, both heavily manned by Crips and Bloods. At the center of this war is a ruthless, beautiful Lady Macbeth-like white woman raised in Compton. Married to a multi-millionaire rap mogul, she is known as the White Sister. It's his worst nightmare come true... Shane is no stranger to big trouble, but he's never before

been smeared as a "racist cop" or thrown in jail while there's a hit out on him. Much worse is the unknown fate of Alexa, and the fact that in the mysterious White Sister—who holds the clue to a sinister conspiracy—he may have met his match.

Boating John Wiley & Sons Lily Forrester, a Ventura County judge, finds herself in a mix of bizarre circumstances that lead her onto the trail of a vicious criminal mind. Her husband calls her from a Las

Vegas jail where he has been arrested for attempted rape—but Las Vegas wasn't on his itinerary. His accuser, Anne Bradley, is an enigmatic woman with an eerie past, a woman to whom Lily is strangely drawn. FBI Agent Mary Stevens is tracking a killer whose victims are husbands who cheat on their wives. Their mutilated bodies are disposed of in ghastly ways and strange locations. The murderer's trail leads to a web service that provides alibis for cheating spouses and into a thick web of deception that

puts both Lily's and Mary's lives in jeopardy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Popular Mechanics Pearson Higher Ed Franklin, Jack, Marla, Thadius, and Caitlin... this unlikely group of assorted misfits are the Cemeterians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists,

creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get

the job done! Not likely. Cemeterians Royal Society of Chemistry
The engineering enterprise is a pillar of U.S. national and homeland security, economic vitality, and innovation. But many engineering tasks can now be performed anywhere in the world. The emergence of "offshoring" - the transfer of work from the United States to affiliated and unaffiliated entities abroad - has raised concerns about the impacts of globalization. The Offshoring of Engineering helps to answer many questions about the scope, composition, and motivation

for offshoring and considers the implications for the future of U.S. engineering practice, labor markets, education, and research. This book examines trends and impacts from a broad perspective and in six specific industries - software, semiconductors, personal computer manufacturing, construction engineering and services, automobiles, and pharmaceuticals. The Offshoring of Engineering will be of great interest to engineers, engineering professors and deans, and policy makers, as well as people outside the engineering community who are concerned with sustaining

and strengthening U.S. engineering capabilities in support of homeland security, economic vitality, and innovation.

New Products Management
Macmillan

His head tilted, looking down at me. His eyes found my bare ass, submissively up in the air. A growl rumbled from him as he fell onto me... Don't you dare dismiss me as another gay college dude with a drug problem. That's all true, but it's not all I am. I didn't have it hard growing up, but I made some bad decisions. Those lead to more bad decisions, and one day I get a phone call that makes everything else seem insignificant. My Dad had died, and I had no way to cope with that. So I fled to the secluded family cabin in the woods, where I hoped to find some kind of closure. Instead I found two handsome trespassers, and I thought the weekend might take a more interesting turn. Some crazy shit

went down, and I found myself treating one of the trespassers for gunshot wounds, but somehow his wounds had healed. He opened his eyes, golden and terrifying. He growled, smelling his submissive prey. I had no chance. For adults only, contains graphic sexual content!
