Think that heading out into the Colorado forest in 60 degree weather in May is totally safe? Think again. As Nico and his baby sitter Hannah quickly learn, Mother Nature can turn on a dime, and when she does, she dumps so much snow on them that they can't find their way out of what should have been a simple overnight backpacking trip. Trek along with these two as an unexpected snowstorm teaches them just how much wilderness savvy they have. It's not enough. They need more. See how their rescuer uses 21st century technology along with timeless backcountry smarts to try to find his friends. And, experience how Nico, our 12 year old hero, comes to understand that sometimes misbehaving isn't as bad as some adults make it out to be. "Stranded in a Snowstorm" features backcountry powder skiing and snowboarding, backpacking, fire-lighting, survival, rock and roll, and emergency whistles. Our heroes have to hike high, hunker low, ski and ride fast, and huddle together just to survive. Will they make it out alive? Will their twists and turns be enough to keep them from the dangers that beautiful Mother Nature brings? Will you feel like strapping a board to your feet and poking some freshies while you read this epic adventure?

The 4x4'S, Pickups and Vans Buying Guide 2003 HarperCollins

In Savage Yard, G. F. Harper employs narrative in a poetic prose that captures the realness of the American experience and explores the bewilderment of the human condition. The work is unvarnished and brutally unromantic but at the same time the writing hints at a romantic sense of

hope while each poem lives out the gritty reality of Harper's intense perception of life, often driven by a distinctive dark humor style. Harper's work contemplates unemployment, loneliness, love, war, abandonment, and transformation. The images are crisp and Harper has composed a world for readers to bring to life with their imagination.

When installing or servicing an air conditioning or refrigeration system, two of the most important tasks performed by technicians are refrigerant recovery and system evacuation. In order to perform these tasks properly, and in a safe manner, technicians need to understand the theory behind them, having a working knowledge of the equipment and tools used, and employ accepted industry best practices. This e-book walks through each step of both tasks, while covering safety, theory, and application. Also covered are leak detection methods and filter drier use. System Recovery and Evacuation was written by HVACR instructors for HVACR instructors to provide sound, relevant information in a single source. This e-book provides students and practicing technicians with the information and knowledge necessary to understand refrigerant recovery, system evacuation, leak detection, and filter driers. It is full of color illustrations and includes worksheets that provide students and practicing technicians with the information and knowledge necessary to accurately and safely install or service air conditioning and refrigeration systems. The end of the e-book contains fill-in-the-blank questions that review the content of the entire manual.

Buying a car can be a smart idea - a car loses the lion's share of its value when it is driven off the new car lot, so why let someone else take that loss? But buyer beware: A used car is likely to need more repairs and may come with a short warranty or none at all. In addition, used cars may lack the latest safety features. That is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car. The auto experts at "Consumer Reports" have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of USED CAR BUYING GUIDE.

This fabulous tool will help steer any consumer who is in the market for a used car towards the better-performing and more reliable used car models and away from those models with a troubled past or substandard performance. Before consumers set foot on a used car lot, they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice. "Consumer Reports" knows cars and offers the most detailed and revealing used car reliability information available anywhere including: - Unbiased reviews of every major model from 1999 - 2006- Lists of the best and worst used vehicles and how to avoid a lemon - A checklist of what to look for when inspecting a used car- Best used cars for gas mileage- Tips on negotiating the best priceReliability, recalls and crash test information- Making sense of safety information -How to get the most money when trading in your current car The majority of this book is devoted to the profiles of 264 cars, minivans, SUVs and trucks, presenting all major 1999-2006 models. Each profile contains a photo from the representative year, a write-up of the vehicle, reliability history, crash-test data, and the model years when key safety gear was added and when a major redesign was made.

Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as black and white as they're trying to make them out to be?
