Corbett, Gray, & Shaw.

When the coveted position is given to the boss ' s nephew, she does what any intelligent employee would do—attends a colleague ' s wedding and schmoozes a high-powered partner at another law firm. Her potential new boss has only one condition for her, that she demonstrate a personal life that will support a thriving career. Pretending to have a boyfriend is outside Jill ' s comfort zone, but she invites the best man to act the part and Ryan is all-too eager to play her significant other. Sparks fly between them, but she reminds herself she ' s only driven to date to get back on the partner track. When Jill discovers Ryan is the lawyer who stole her promotion, her charade

threatens to implode. But breaking off their pretend relationship could cost her the job of her dreams. And the more she gets to know Ryan, the more she 's tempted to tame the bad boy, and make him her own.

Automobile Magazine Lemon-Aid New and Used Cars and Trucks 1990-2015 With a fresh approach to a common problem, this self-help guide to overcoming back pain advocates adopting the natural, healthy posture of athletes, young children, and people from traditional societies the world over. Arguing that most of what our culture has taught us about posture is misguided—even unhealthy—and exploring the current epidemic of back pain, many of the commonly cited reasons for the degeneration of spinal discs and the stress on muscles that leads to back pain are examined and debunked. The historical and anthropological roots of poor

posture in Western cultures are studied as is the absence of back pain complaints in the cultures of Africa, Asia, South America, and rural Europe. Eight detailed chapters provide illustrated step-by-step instructions for making simple, powerful changes to seated, standing, and sleeping positions. No special equipment or exercise is required, and effects are often immediate.
