Just as the Beetle started a long tradition of Volkswagen automotive excellence, these are the manuals that created the Bentley reputation for clarity, thoroughness, and indispensability. Our air-cooled Volkswagen manuals provide both do-it-yourself owners and professional mechanics with clear explanations and illustrations, detailed service steps, and time-saving troubleshooting tips. In the same tradition as our classic 1961-1965 Type 1 manual, this manual offers owners of 1960s vintage Transporters the long out-of-print factory repair information. Indispensable to anyone interested in the history

or restoration of the Transporter, this book includes complete coverage of 1200 and 1500 engines, dual-circuit brakes, and body dimension specifications for all models, including those with a sliding sunroof. All factory updates are listed by chassis number and date introduced. This is the one book no serious Type 2 enthusiast should be without.
