This book, I have written, has helped to release all the tension I had with the obstacles I met along with the

raising of this family. With the farm life and the large family, including a son with birth defects and Down ' s syndrome, life was strenuous. Years of struggling to keep the family well and happy. With the help of good doctors and surgeons, in Bobby ' s case, we have seen that it can be done. I was always trusting God in each incidence. It is my hope that this book

---

will prove to be an inspiration to any and all who have the privilege of reading it.
