6th Grade Student Work Samples - Ms.Morrison's Science Class

In my third grade classroom, students write in journals every day for about 20 minutes. Each day, after read-aloud time, the kids go back to their desks, pull out their journals, and start writing! By writing every day, the students gain fluency while getting a chance to practice important punctuation, spelling, and style skills in context.

6 Grade Science Journal Examples

Science Journal entries are required by each individual student in Mr. Knight's science class. Students will either write about class activities or address a specific question posted by the teacher or fellow student. Once an assignment or question is posted on the journal page, each student's response will be assessed using a scoring guide.

Journals / Science / AAAS
