Harley-Davidson XL883 XL1200 Sportster 2004-2013 Haynes Manuals N. America, Incorporated

This technical manual is published for the information and guidance of the using arm personnel charged with the operation, maintenance, and minor repair of this materiel. b. In addition to a description of the Harley-Davidson motor- cycle, this manual contains technical information required for the identification, use, and care of the materiel. The manual is divided into two parts. Part One, section I through section VI, gives vehicle operating instructions. Part Two, section VII through section XXV, gives vehicle maintenance instructions to using arm personnel charged with the responsibility of doing maintenance work within their juris- diction. c. In a1 cases where the nature of the repair, modifications, or adjustment is beyond the scope or facilities of the unit, the responsible ordnance service should be informed so that trained personnel with suitable tools and equipment may be provided, or proper instructions issued.

Harley-Davidson Fls/Fxs/Fxc Softail Series Haynes Manuals N. America, Incorporated
