ABDO Publishing Company
Following on the success of his 2005 bestseller Hot Rod Pin-ups, ace photographer David Perry offers an all-new collection of images winningly riffing on the timeless theme of girls ' n ' cars—specifically, girls ' n ' hot rods. In the garage, on the road, at the race, these sumptuous pictures by the acknowledged master of contemporary hot rod pin-up photography recall classic 1950s illustrators like Vargas and Elvgren. But the beauties in Perry ' s photographs have been transported to--and, it

seems, transported by--the cluttered chop shops, deafening drag strips, and dusty highways that hot rods call home. Sharing top billing are the cars of many of today ' s top builders, as well as painstakingly perfect wardrobes and settings. Essays by male and female stars of the hot rod world round out this delightful book.
