What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one-the Challenger- delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

#1 NATIONAL BESTSELLER • A passionate call to arms against our era's most pervasive human rights violation—the oppression of women and girls in the developing world. From the bestselling authors of Tighrope, two of our most fiercely moral voices With Pulitzer Prize winners Nicholas D. Kristof and Sheryl WuDunn as our guides, we undertake an odyssey through Africa and Asia to meet the extraordinary women struggling there, among them a Cambodian teenager sold into sex slavery and an

Ethiopian woman who suffered devastating injuries in childbirth. Drawing on the breadth of their combined reporting experience, Kristof and WuDunn depict our world with anger, sadness, clarity, and, ultimately, hope. They show how a little help can transform the lives of women and girls abroad. That Cambodian girl eventually escaped from her brothel and, with assistance from an aid group, built a thriving retail business that supports her family. The Ethiopian woman had her injuries repaired and in time became a surgeon. A Zimbabwean mother of five, counseled to return to school, earned her doctorate and became an expert on AIDS. Through these stories, Kristof and WuDunn help us see that the key to economic progress lies in unleashing women's potential. They make clear how so many people have helped to do just that, and how we can each do our part. Throughout much of the world, the greatest unexploited economic resource is the female half of the population. Countries such as China have prospered precisely because they emancipated women and brought them into the formal economy. Unleashing that process globally is not only the right thing to do; it's also the best strategy for fighting poverty. Deeply felt, pragmatic, and inspirational, Half the Sky is essential reading for every global citizen.

The largest section is set at AS level and comprises prose passages forming a coherent story based on original sources but simplified to maintain a level of difficulty appropriate for this level. The text assumes the student will have a working knowledge of a typical vocabulary list of about 1000 words. Most of the rest of the passages are, with rare exceptions, un-adapted Latin, both prose and verse, taken from the authors used in the examinations. Difficult or rare words are glossed. The last few passages are of a standard of difficulty appropriate to AEA level. All passages are of a similar length and format to those used in the examinations. One sample mark scheme has been included to give teachers and students some insight into how these unseens are marked in the examinations.

Lust isn't just a guy problem – it's a human problem. And unless we honestly confront it, lust will destroy our relationships and our lives. Joshua Harris, author of the runaway bestseller *I Kissed Dating Goodbye*, calls a generation bombarded with images of sexual sin back to the freedom and joy of holiness. This "PG-rated" book – straightforward without being graphic – speaks to those entrenched in lust or just flirting with temptation. Honestly sharing his own struggles, Harris exposes lust's tactics and helps readers create a personal plan for fighting back. Men and women will find hope in God's grace and learn the secrets to lasting change. Neither sex nor sexuality is our enemy. We need to rescue our sexuality from lust so we can experience it as God intended. Bestselling author Joshua Harris shows you how lust deceives you. Specific and honest without being graphic, this book – for both men and women – will guide you in creating a custom plan for fighting lust and celebrating purity.

Praise for *Sex Is Not the Problem (Lust Is)* “ For your joy and Christ ’ s honor, I commend this book to you. It is realistic, practical, and hope-giving. ” -John Piper, pastor of Bethlehem Baptist Church, Minneapolis “ A beautiful blend of grace and truth. Joshua Harris raises high standards of holiness while carefully avoiding legalism. I highly recommend it. ” -Randy Alcorn , bestselling author of *The Treasure Principle* and *The Purity Principle* “ I am very encouraged that my longtime friend Josh Harris has written a book about lust. May God use this book to keep many from allowing their minds to become ‘ the devil ’ s playground. ’ ” -Rebecca St. James, singer/songwriter

*Story Behind the Book* “ I was preparing a message on lust when I realized that the book I wanted to consult hadn ’ t been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader ’ s imagination through the gutter. And it would be for both men and women, because I ’ ve learned that lust isn ’ t just a guy problem – it ’ s a human problem. ” – Joshua Harris
