This program is overly focused on the timing of reading. All readings are a minute--that allows for ease of scoring reading rates (words per minute), but doesn't really lend itself to meaning making at all. It doesn't seem like it matters whether a child finishes a passage or is able to ask questions about it or even reads with any prosody at all.

*Kids Listen: Six Minutes*

The Six-Minute Solution can run the duration of the school year. It begins with word lists and progresses through increasingly higher level reading passages. Students work on the same list/passage for five days before moving to the next passage. This allows for the intervention to be long term and in turn allows for students to continue
