Whether they're bored office stiffs, housewives or disgruntled war veterans, the armour-clad members of the Society of Creative Anachronism (SCA) like to get beaten up the old-fashioned way. From 2003 to 2005, internationally renowned photographer E.F. Kitchen photographed and interviewed the fighters of the SCA on location, using a bespoke, 8x10 bellows camera. What followed was Suburban

Knights, a fierce, sepia-toned series of portraits of these 21st-century warriors, lost in time.

Statistics With Technology, Second Edition, is an introductory statistics textbook. It uses the TI-83/84 calculator and R, an open source statistical software, for all calculations. Other technology can also be used besides the TI-83/84 calculator and the software R, but these are the ones that are presented in the text. This book presents probability and statistics from a more conceptual approach, and focuses less on computation.

Analysis and interpretation of data is more important than how to compute basic statistical values.
