As the title states, it's 600 hours - 25 days in Edwards life, it's the day to day accounts on this man's life. It may sound boring, but he does have Asperger's

and OCD, so every day, he repeats his activities, but it's the anecdotes - his comments, his thoughts that make this story so great. So much so, for me I want more than 600 hours of Edward!!
