Diesel to gas transmission conversion? VW MKIV-A4 TDIs (VE and PD) To put it another way, a diesel engine's power/torque curves are very very different from a gas engine, and the respective transmissions are geared accordingly.

hi iam new here, i just picked up an 1984 k20 with a blown 6.2 diesel in it, i want to pull it out and swap in a small block or big block, havnt decided yet but was wondering if any of you guys have done this swap before? i was wondering what i would need to change as far as the fuel system, motor mounts, electrical, would i need a new powersteering pump or would the diesel one work? it has a ...

6.2L GM/Detroit Diesel Specs & Information

I have a 2008 2500 diesel with the 6 speed automatic. Great truck all around but I really really want a manual transmission. I'm curious if anyone on here has ever done the swap on a 3rd gen truck and what exactly is involved. There are a few obvious things such as I would start by swapping the vin ...

The questions we usually have when going to pull off a diesel conversion is to start off with matching an engine 's power output to a project 's needs. That 's one of the most fun parts as it 's usually accompanied with a bit of bench racing and dreams of how the project will perform in the end (be it a boat, hot rod, pickup or bar stool racer).

Transmission Swap Comparisons

The original 6.2L came mated to either the TH400 three speed automatic, Muncie SM465 four speed manual transmission, or New Process NP833 four speed manual overdrive transmission. The 6.2 shares its bellhousing pattern with GM V-8 gas engines - a diesel transmission will bolt up to a gas engine with no modifications and visa versa.

62 Diesel Manual Transmission Swap

alright every, i've been reading up on these nv4500 swaps in our old square bodies and i'm running into some issues where the threads start to get pretty muddy and i can't follow too well. So here is the deal. I have my 89 jimmy, 6.2 with an auto tranny and OD married to a np208. The 208 leaks fluid at the yoke seal (i replaced but still leaking) then i found a crack in the case (not a ...
