## Behold a White Horse

Skyhorse Publishing Inc.

From the moment a Founding Father first asked for a vote, politicians have been saying dumb stuff. From George Washington to George Bush (both of them!) right on to present-day pundits like Donald Trump, Sarah Palin, and Hillary Clinton, political leaders can always be counted on to say funny, exasperating, and nonsensical things, often unintentionally. In Sh\*t

Politicians Say, Jesse Ventura shares the most entertaining and disturbing “thoughts” from his political brethren, including these winners: “The concept of global warming was created by and for the Chinese in order to make U.S. manufacturing non-competitive.” —Donald Trump “I am not worried about the deficit. It is big enough to take care of itself.” —Ronald Reagan “I think gay marriage is something that should be between a man and a

woman.” —Arnold Schwarzenegger “I love California, I practically grew up in Phoenix.” —Dan Quayle “A zebra does not change its spots.” —Al Gore “People have got to know whether or not their president is a crook. Well, I’m not a crook. I’ve earned everything I’ve got.” —Richard Nixon “Death has a tendency to encourage a depressing view of war.” —former Defense Secretary Donald Rumsfeld “I’ll be long gone before some smart

---

person ever figures out what happened inside this Oval Office.” —George W. Bush From bigoted statements to outright lies . . . flip-flopping to just TMI, Sh\*t Politicians Say will provide readers with a welcome respite from the presidential campaigns.

The Secret Team Harper Collins

The former governor recounts his gubernatorial years, discussing his decision not to seek a second term, frustration with

internal corruption in the two-party system, suspicions about the September 11 attacks, and views on the war in Iraq.

### **How the World Works**

Trine Day

A New York Times Best Seller! New York Times bestselling author Jesse Ventura is back with more conspiracies that our government wishes you didn't know about! In this explosive account of wrongful acts and ensuing cover-ups, Jesse Ventura offers a different side to the

stories we've all heard and read about in the history books. He takes a look at the wide gap between what the government knows and what is revealed to the American people. The media is complicit in these acts of deception, often refusing to consider alternate possibilities and dismissing voices that diverge from public opinion. He will look closely at the theories that have been presented over the years and examine the truth as well as the lies. Ventura does not shy away from the

---

<p>tough questions. As he states, “When I get denied something, I do the opposite of getting intimidated—I get angry.” Now with new conspiracies added including information on the CIA torture scandal and the financial meltdown of 2008, you will see how the United States government continues to abuse our civil liberties and why we need to continue to stand up for what we know is right. You may not believe everything in American Conspiracies, but it is guaranteed to make you think</p>	<p>harder about everything you do believe. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national</p>	<p>bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. The Last Investigation St. Martin's Press Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest. the failure of our government to investigate the assassination of a president. Now featuring a foreword from New York Times bestselling author Dick Russell. Gaeton Fonzi ' s masterful retelling of his work investigating the Kennedy assassination for two congressional committees is required reading for students of the assassination and the subsequent failure of the government to solve the crime. His book is a compelling postmortem on the House Select Committee on Assassinations, as well as a riveting account of Fonzi ' s pursuit of leads indicating involvement in the assassination by officers of the Central Intelligence Agency. First

published in 1993 and now with a new foreword by Dick Russell, New York Times bestselling author of *They Killed Our President!* and *63 Documents the Government Doesn ' t Want You to Read*, Fonzi ' s *The Last Investigation* was a landmark book upon its release. More than merely an indictment of the Committee ' s work, *The Last Investigation* tells the story of the important leads Fonzi developed as an investigator, which sent him into the milieu of Kennedy-haters among anti-Castro exiles and CIA officers. In this highly readable book, the author follows the trail to formerly obscure CIA officers such as David Atlee Phillips and David Morales. New records

declassified under the JFK Records Act have only added to the dark questions raised here.

**63 Documents the Government Doesn't Want You to Read** Xulon Press

The top-secret world that the government created in response to the 9/11 terrorist attacks has become so enormous, so unwieldy, and so secretive that no one knows how much money it costs, how many people it employs or exactly how many agencies duplicate work being done elsewhere. The result is that the system

---

put in place to keep the United States safe may be putting us in greater danger. In Top Secret America, award-winning reporters Dana Priest and William Arkin uncover the enormous size, shape, mission, and consequences of this invisible universe of over 1,300 government facilities in every state in America; nearly 2,000 outside companies used as contractors; and more than 850,000 people granted "Top Secret" security clearance. A landmark expos é of a new, secret

"Fourth Branch" of American government, Top Secret America is a tour de force of investigative reporting-and a book sure to spark national and international alarm.

Why We Can't Wait  
Turtleback

The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship

bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and

---

Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

DemoCRIPS and

ReBLOODlicans Simon and Schuster

These days, most Americans know that the country has serious problems. Problems that will have

to be addressed before the country can move forward. What are these problems? Where did they come from? Before we can move forward we have to know where we are and how we got there. American Heart of Darkness paints an unvarnished picture of the seeds of destruction that were sown into the foundations of the Republic from the very beginning. How did slavery come about in the "land of the free?" How did a pre-Columbian native population, in North America alone, of over eighteen million (yes, you heard it right) native peoples dwindle down to about two hundred thousand? Was it really Small Pox? Why has a people who constantly talk about freedom,

democracy, equality, human rights, life, liberty, and the pursuit of happiness continually practiced racism, genocide, and war? How do drugs come into the country, and who is really behind the most profitable product sold in the world? There are also other unanswered questions that need to be explored: Why were thousands of the worst Nazi war criminals given refuge in the U.S.? Who financed Hitler? Where did Hitler get his "master race" and genocidal ideas from? Was Lee Harvey Oswald a C.I.A. agent? Were Oswald, Sirhan Sirhan, Ted Kaczynski, Timothy McVey, and the "Peoples Temple" all mind control, MKULTRA, subjects? What really happened in the

---

Jeffery MacDonald, so-called "Fatal Vision" case? How does hundreds of billions of dollars come into the United States every year without detection? The answers to these questions, and many more, will surprise you! They are not in the History books, although they should be. American Heart of Darkness, Volume I, explores the ugly side of America that has been hidden for far too long, and it is literally killing us. This book is not for the reader looking for an uplifting story to escape everyday life for a few hours. It is for true patriots who are sick and tired of being lied to and stolen from. It is for those who know they need to do something but do not know where

to start. It is for those who feel powerless and that America's problems are far too big for "little ol' me" to handle. It is for those with the courage to go from darkness to light. As comedian and activist Dick Gregory once said, "If you been in the DARK for so long, LIGHT will hurt your eyes ." This book will hurt your eyes. The reader will be shocked, then angry, then motivated, and finally, in the author's next two books, empowered and liberated. It is better to see where we are and where we need to go, right now, before it is too late. Congratulations! If you have read this far this book is probably for you. Please keep in mind the universal truth that with any form

of government, the leaders only have the power that the people allow them have. This was true in India when a little skinny guy named Gandhi with no money and only a rag wrapped around his middle took on the British Empire, and won! There is no question that the American people have the power to reclaim a government that is clearly not being run for them. We have to empower ourselves to take this government back from only a handful of selfish and greedy individuals, who have proven that they only care about making more and more money. Let us all stop giving "them" the power that belongs to us. Reading this book is a beginning, and then we will talk

---

about what to do about it in the author's next two books!

Operation Paperclip

National Academies Press

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma. Out of the Dust joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!"Dust piles up like snow across the prairie. . . . "A terrible accident has

transformed Billie Jo's life, scarring her inside and out. Her mother is gone. Her father can't talk about it. And the one thing that might make her feel better -- playing the piano -- is impossible with her wounded hands. To make matters worse, dust storms are devastating the family farm and all the farms nearby. While others flee from the dust bowl, Billie Jo is left to find peace in the bleak landscape of Oklahoma -- and in the surprising landscape of her own heart.

Animal Farm Simon and Schuster

Look for O ' Brien ' s new book, American Fantastica, on sale October 24th A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. The Things They Carried depicts the men of Alpha Company: Jimmy Cross, Henry

---

Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O' Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They

Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Refugee Encounter Books

"The Nation has lost sight of its public health goals and has allowed the system of public health to fall into 'disarray'," from The Future of Public Health. This startling book contains proposals for ensuring that public health service programs are efficient and effective enough to deal not

only with the topics of today, but also with those of tomorrow. In addition, the authors make recommendations for core functions in public health assessment, policy development, and service assurances, and identify the level of government--federal, state, and local--at which these functions would best be handled.

Bond of Secrecy Simon and Schuster

James George Janos describes his experiences in the Navy SEALs, the professional wrestling career that made him

---

"Jessie the Body" Ventura, and his first year as governor of Minnesota.

Unwarranted Catapult

From Pulitzer Prize finalist

Annie Jacobsen, the untold USA Today bestselling story of the CIA's secret paramilitary units. Surprise . . . your target.

Kill . . . your enemy. Vanish . . . without a trace. When

diplomacy fails, and war is unwise, the president calls on

the CIA's Special Activities

Division, a highly-classified

branch of the CIA and the most effective, black operations

force in the world. Originally

known as the president's

guerrilla warfare corps, SAD conducts risky and ruthless operations that have evolved over time to defend America from its enemies. Almost every American president since World War II has asked the CIA to conduct sabotage, subversion and, yes, assassination. With

unprecedented access to forty-two men and women who proudly and secretly worked on CIA covert operations from the dawn of the Cold War to the present day, along with declassified documents and deep historical research, Pulitzer Prize finalist Annie

Jacobsen unveils -- like never before -- a complex world of individuals working in treacherous environments populated with killers, connivers, and saboteurs. Despite Hollywood notions of off-book operations and external secret hires, covert action is actually one piece in a colossal foreign policy machine. Written with the pacing of a thriller, *Surprise, Kill, Vanish* brings to vivid life the sheer pandemonium and chaos, as well as the unforgettable human will to survive and the intellectual challenge of not giving up hope that define

---

paramilitary and intelligence work. Jacobsen's exclusive interviews -- with members of the CIA's Senior Intelligence Service (equivalent to the Pentagon's generals), its counterterrorism chiefs, targeting officers, and Special Activities Division's Ground Branch operators who conduct today's close-quarters killing operations around the world -- reveal, for the first time, the enormity of this shocking, controversial, and morally complex terrain. Is the CIA's paramilitary army America's weaponized strength, or a liability to its principled

standing in the world? Every operation reported in this book, however unsettling, is legal.

### The Federalist Papers One World

Analyzes a series of public domain documents which demonstrate how the government has misled the public, engaging in deception about the objectives and scope of some of its programs and perpetuating wasteful spending and harmful cover-ups.

Top Secret America Farrar, Straus and Giroux

Reveals Kennedy's plans for Vietnam, Kennedy's intentions to "shatter the CIA," and President Johnson's reversal of Kennedy's orders concerning Vietnam immediately following the assassination, arguing that the assassination was a professionally executed coup d'etat.

### Do I Stand Alone? Xlibris Corporation

It ' s amateur hour at the White House. So says New York Times bestselling author Edward Klein in his new political expos é The Amateur. Tapping into the public ' s growing sentiment that

---

President Obama is in over his head, *The Amateur* argues that Obama 's toxic combination of incompetence and arrogance have run our nation and his presidency off the rails. " Obama was both completely inexperienced and ideologically far to the left of Americans when he entered the White House, " says Klein.

" And he was so arrogant that he didn ' t even know what he didn ' t know. " Klein, who is known for getting the inside scoop on everyone from the Kennedys to the Clintons, reveals never-before-published details about the Obama administration ' s political inner workings and about Barack and Michelle ' s personal lives, including: The inordinate

influence Michelle wields over Barack and her feud with a high-profile celebrity The real reason Rahm Emmanuel left the White House (it wasn ' t for family reasons) Why Valerie Jarrett ' s role is closer to that of Rasputin than impartial senior advisor Obama ' s problems with American Jews How Obama has purposefully forgotten and ignored those that put him in power, including the Kennedys, and the Jewish and African American communities in Chicago From Obama ' s conceited and detached demeanor, to his detrimental reliance on Michelle Obama and Valerie Jarrett ' s advice, to the Obamas' extravagant and out-of-touch

lifestyle, *The Amateur* reveals a president whose blatant ignorance and incompetence is sabotaging himself, his presidency, and America.

### The Things They Carried Harper Collins

Many Americans believe that people who lack health insurance somehow get the care they really need. *Care Without Coverage* examines the real consequences for adults who lack health insurance. The study presents findings in the areas of prevention and screening, cancer, chronic illness, hospital-based care, and general health status. The committee looked at the consequences of being uninsured for people suffering from cancer,

---

diabetes, HIV infection and AIDS, heart and kidney disease, mental illness, traumatic injuries, and heart attacks. It focused on the roughly 30 million-one in seven-working-age Americans without health insurance. This group does not include the population over 65 that is covered by Medicare or the nearly 10 million children who are uninsured in this country. The main findings of the report are that working-age Americans without health insurance are more likely to receive too little medical care and receive it too late; be sicker and die sooner; and receive poorer care when they are in the hospital, even for acute situations like a motor vehicle crash.

### Coup in Dallas Encounter

### Books

Judyth Vary was once a promising science student who dreamed of finding a cure for cancer; this expos é is her account of how she strayed from a path of mainstream scholarship at the University of Florida to a life of espionage in New Orleans with Lee Harvey Oswald. In her narrative she offers extensive documentation on how she came to be a cancer expert at such a young age, the personalities who urged her to relocate to New Orleans,

and what led to her involvement in the development of a biological weapon that Oswald was to smuggle into Cuba to eliminate Fidel Castro. Details on what she knew of Kennedy ' s impending assassination, her conversations with Oswald as late as two days before the killing, and her belief that Oswald was a deep-cover intelligence agent who was framed for an assassination he was actually trying to prevent, are also revealed. The War on Cops

---

Bloomsbury Publishing USA Dr. King ' s best-selling account of the civil rights movement in Birmingham during the spring and summer of 1963 On April 16, 1963, as the violent events of the Birmingham campaign unfolded in the city ' s streets, Dr. Martin Luther King, Jr., composed a letter from his prison cell in response to local religious leaders ' criticism of the campaign. The resulting piece of extraordinary protest writing, " Letter from Birmingham Jail, " was widely circulated and published in numerous periodicals. After the conclusion of the campaign and the March on Washington for Jobs and Freedom in 1963, King further developed the ideas introduced in the letter in Why We Can ' t Wait, which tells the story of African American activism in the spring and summer of 1963. During this time, Birmingham, Alabama, was perhaps the most racially segregated city in the United States, but the campaign launched by King, Fred Shuttlesworth, and others demonstrated to the world the power of nonviolent direct action. Often applauded as King ' s most incisive and eloquent book, Why We Can ' t Wait recounts the Birmingham campaign in vivid detail, while underscoring why 1963 was such a crucial year for the civil rights movement. Disappointed by the slow pace of school desegregation and civil rights legislation, King observed that by 1963—during which the

---

country celebrated the one-hundredth anniversary of the Emancipation Proclamation—Asia and Africa were “moving with jetlike speed toward gaining political independence but we still creep at a horse-and-buggy pace.” King examines the history of the civil rights struggle, noting tasks that future generations must accomplish to bring about full equality, and asserts that African Americans have already waited over three centuries for civil rights and that it is

time to be proactive: “For years now, I have heard the word ‘Wait!’ It rings in the ear of every Negro with piercing familiarity. This ‘Wait’ has almost always meant ‘Never.’ We must come to see, with one of our distinguished jurists, that ‘justice too long delayed is justice denied.’” They Killed Our President Scholastic Inc. Throw out everything you think you know about history. Close the approved textbooks, turn off the corporate mass media, and whatever you do, don’t believe anything you hear from the

government—The Rise of the Fourth Reich reveals the truth about American power. In this explosive new book, the legendary Jim Marrs, author of the underground bestseller Rule by Secrecy, reveals the frighteningly real possibility that today the United States is becoming the Fourth Reich, the continuation of an ideology thought to have been vanquished more than a half century ago. This concept may seem absurd to those who cannot see past the rose-colored spin, hype, and disinformation poured out daily by the media conglomerates—most of which are owned by the very same families and corporations who supported the Nazis before World

---

War II. But as Marrs precisely explains, National Socialism never died, but rather its hideous philosophy is alive and active in modern America. Unfortunately, most people cannot understand the shadowy links between fascism and corporate power, the military, and our elected leaders. While the United States helped defeat the Germans in World War II, we failed to defeat the Nazis. At the end of the war, ranking Nazis, along with their young and fanatical protégés, used the loot of Europe to create corporate front companies in many countries, including the United States of America. Utilizing their stolen wealth, men with Nazi backgrounds and mentalities wormed their way into corporate America, slowly buying up and consolidating companies into giant multinational conglomerates. Many thousands of other Nazis came to the United States under classified programs such as Project Paperclip. They brought with them miraculous weapon technology that helped win the space race but they also brought their insidious Nazi philosophy within our borders. This ideology based on the authoritarian premise that the end justifies the means—including unprovoked wars of aggression and curtailment of individual liberties—has gained an iron hold in the "land of the free and the home of the brave." For the first time Jim Marrs has gathered compelling evidence that an effort has been underway for the past sixty years to bring a form of National Socialism to modern America, creating in essence a modern empire—or "Fourth Reich"!
