In elementary school, students learn the basics and continue to expand their knowledge base.

In sixth grade, they will again continue to build from what they know and will practice their

new skills. Learning about more advanced subjects can be difficult at times, especially

with so many new and more complex concepts, but it can also be fun and rewarding.

The hook: On the night of their twelfth birthday, sixth grade twins Alex and Bailey are ready for something to change. It has been a year since their

father was killed in a car accident. Their mom, a nurse, has been working extra hours to support

them. Their grandmother gives them a special gift: a book of the fairy tales they grew up hearing.
