Human Heritage Workman Publishing

Go beyond just the facts to an investigative study of world history as a reporter in this uniquely designed course! Follow special tracks of Biblical and Christian history, world events, civilizations, empires, inventions, and technology. This special hands-on trip through time helps students learn about time-lines and the Big Book of History, with a special emphasis on the historic details of Noah's ark.

Practice, Assess, Diagnose Teacher Created Materials

Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.

Who Started World War 1? History 6th Grade Children's Military Books Baby Professor (Education Kids)

Once your child has completed his or her primary education, you'll have to seek curriculum for homeschool that covers History in greater detail. Your child is ready to face a bigger challenge when learning, and myWorld History is there to provide it. This middle school curriculum bundle breaks the barrier between History as a living thing and the subject as it's presented on paper. Not only will your child learn relevant dates over

the course of the program, he or she will also experience the stories that make up the entirety of History. myWorld History provides you and your child with project-based activities and interesting tales that take you on a journey through time. Your child will get to read about other people who lived all over the world and in different time periods, helping the lesson resonate. With all the engaging content provided by myWorld History, your child will develop a strong knowledge of History and the cultures of which it is comprised. Ideally, such exposure to different cultures will help your child become more empathetic and a better critical thinker. Furthermore, each chapter of myWorld History kicks off with an Essential Question. This question guides your child through the material, causing him or her to analyze the lesson's content as he or she progress through the chapter. Your child will have to ask questions and search for answers while addressing the Essential Question. Stories, activities, games, the student journal and projects relate back to the Essential Question, the main idea of the chapter. The myWorld History curriculum for homeschooling is the next step after the myWorld Social Studies series and can be used before or after myWorld Geography. The Bundle includes the Student Edition, Student Journal, Student Journal Answer Key and Parent Guide materials. The content in each lifts History off the page to keep your child engaged in the learning process. myWorld History proves that homeschool is full of exciting experiences and invaluable lessons. For more information about the specific materials included in myWorld History, visit the Features and Benefits page. Take your child on a journey through time without leaving home. With innovative resources, project-based activities, and unprecedented support for all learners, myWorld History takes students beyond the printed page to actively experience the history of the world in which they live.

Elementary World History - You Report! Workman Publishing

Perfect for children ages 11 and 12, this workbook extends the geography knowledge and map-reading skills of sixth graders and contains curriculum-aligned objectives that include using different map projections and informational maps, locating the world's major physical features, and reinforcing knowledge about the United States, the continents, and specific world regions. Level by level, the write-in DK Workbooks: Geography series offers at-home practice that kids actually enjoy--making them ideal supplements to schoolwork. Designed to support curriculum standards, this series is developed with leading educational experts to build confidence and understanding. Each leveled workbook, for children ages 3-9, is packed with activities and challenges, offering the beneficial repetition and cumulative learning that lead to mastery. Fact boxes on each page give a simple overview of the topics being covered, review the basics, and often offer an example of the task at hand. The exercises themselves reinforce key geography topics including map reading, compass directions, continents, countries and states, borders, bodies of water, and more.

My World History McGraw-Hill/Glencoe

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

Spectrum Geography: World Mark Twain Media

It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace World History . . . kicks off with the Paleolithic Era and transports the reader to ancient civilizations--from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit--borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in marker colors. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.
