Jane's Airport Equipment

Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

Motor's Truck & Tractor Repair Manual

The Donaren 180D powered disk trencher was first tested in Alberta in 1983 and found wanting. The Sinkkila is a Finnish spot scarifier used in Finland for the last 20 years. It was investigated in Alberta as a site preparation tool on clay soil where raised or mounded microsites may offer advantages for the survival and growth of spruce planting stock. Trials were held to determine if the Donaren & Sinkkila could create plantable spots and expose mineral soil on a range of full-

tree logged sites. Portions of 3 sites were used to evaluate the effectiveness of the implements using the Great Lakes Forestry Centre's Standard Assessment Procedures, adopted to facilitate the collection of data using standard accepted methodology allowing comparison between sites and with other equipment trials conducted across Canada.
