Explore a complete history of America's original sports car. Through hundreds of rare and unpublished photos from GM's media and design archives, special gatefolds and in-depth analysis from noted Corvette historian Randy Leffingwell, *Corvette: Seven Generations of American High Performance* celebrates six-plus decades of America's sports car, covering the revolution and evolution of America's longest continuously produced nameplate, from Harley Earl's initial concept to the latest seventh-generation car – the 2014 Corvette Stingray. Officially licensed and created in cooperation with General Motors, *Corvette: Seven Generations of American High Performance* focuses on the Corvette's place in popular culture as well the its engineering and design success. This book offers something for everyone who has ever lusted after a 'Vette. From the inaugural 1953 Corvette to today's stunning Stingray, this book touches on all aspects of Chevrolet's iconic sports car: history, racing, period ads, posters, memorabilia, key designers such as Bill Mitchell, engineers such as the fabled Zora Arkus-Duntov, celebrity 'Vette fans, and more. No Corvette fan will want to miss out on this ultimate history of America's first and foremost sports car.

Thinking about a knockout audio system for your car? Not sure what you need, want, or can afford? *Car Audio For Dummies* is a great place to find some answers! But wait — what if speakers that vibrate your floorboards don't turn you on? What if you're rethinking more about hands-free phone access and a DVD player to entertain the kids? Surprise! *Car Audio For Dummies* can give you a hand there, too. Whether you want to feel as if your favorite band is performing right on top of your dashboard or you want to keep the soccer team entertained on the way to the tournament, this friendly guide can help. From planning your system and buying components to getting them installed and protecting your investment, you'll find plenty of wise advice. Get the scoop on: Figuring out what kind of equipment you need to do what you want Identifying good sound quality when you hear it Adding components to a factory system Choosing a video player, hands-free phone system, amplifiers, speakers, and more Finding a reliable installer (today's automotive electronics systems are so complex that you probably won't want to go it alone) Understanding warranties and returns Protecting and insuring your system *Car Audio For Dummies* is sort of like that knowledgeable friend you want to take along when you tackle a project like this. Sounds like a good idea, doesn't it?

Delhi Press June 16, 2009 Dundurn
Fill It With Regular is a new collection of poetry from the author, and artist, Robert Benefiel. The poems included in this tome were all written when the author began to normalize his life after a long battle of depression. Looking not to candy coat life, but to derive his own meaning for living from it, this book looks for the joy possible while reasoning out the sometimes unsettling realities that can accompany any life no matter what the station or circumstances. Whether straight forward or surreal, derived from a past moment or a moment that never happened, the poems offer the reader a steady look at a person salvaging joy from the wreckage of existence.
