January 6th was a day that will go down in infamy in American History. Insurrection

Day lays out a graphic timeline of events that lead up to that day. Angry at what happened that day? Confused? Want to know more about how it happened, and how you can prevent it from happening again? Insurrection Day can help turn anger and confusion into action as it graphically shows the events leading up to that day, and

describes actions that all of us can take to prevent it from happening again. Democracy is in danger, and it is up to each of us to defend it! As much of America did that day, the authors including their resources, watched, live, in horror January 6th as it unfolded. Angered by that day, and also afraid for

democracy,
they decided
to turn fear
into action.
At the
beginning of
June 2021,
they saw
winter
coming. This
book is the
result. This
story behind
January 6th
is still very
much publicly
unfolding.
This is the
first chapter
in the
Insurrection
Saga, the
next chapter
is up to all
of us. To the
