"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.

Devin Abernathy secretly dreams of escaping to a simpler time. It's why she owns a vintage clothing shop, fulfilling her lifelong fantasy of surrounding herself with period style. All she has to do is slip on a garment to be spirited away to a bygone era – in her imagination, anyway. But lately she's also dreamed at night of a passionate affair with a handsome World War II naval officer named Gregory Prescott, who seems oddly familiar. Fantasy becomes reality when Devin dons a mysterious estate – sale coat and is suddenly whisked back in time – to New York City in 1945, on V – J Day, where she's welcoming Gregory home with open arms and ruby – red kisses... All she wants is to stay in his powerful embrace, but to do so means choosing between his past and her future.

Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are

good and evil really as black and white as they're trying to make them out to be? Mallard Fillmore-- Tyndale House Publishers, Inc. "Kung delivers a touching story enriched by its strong atmosphere," Publishers Weekly, Starred Review "There's much to admire in Kung's debut: vivid Hong Kong backgrounds, a sharp eye for conflicts of class and nationality, and the looming threat to the heroine's family," Kirkus Reviews "Kung finds a key plot element in the hidden lives of the thousands of Filipinas who come to Hong Kong as servants for affluent families and live almost like slaves," The Washington Post "It would be easy to assume that Hong Kong is populated solely by spies and incredibly rich people who made their fortunes off the backs of peasants. What distinguishes this book is a compelling sense of place. This is a Hong Kong readers don't come across very often and the author brings the city alive. It's an unusual debut," Chris Petrakos, The Chicago Tribune "This unusual Far East mystery is as notable for its portrayal of Hong Kong while being returned to Communist China as it is for its intimate study of maternal love. Kung proves an expert storyteller, adroitly probing Claire's psyche, imparting the Far East wisdom she gets from her close friend, a Scottish priest and above all, the maturation under stress of Claire's lover and father of her son. The reader will discover the summoning of a poignant, almost visceral, response to the plight of Kung's besieged principals," Buffalo Evening News, Ed Kelly Foreign

correspondent Claire Raymond finds herself uncomfortably sidelined at home on maternity leave. A neighbor's son, Petey, is found dead along the Midlevel district's May Road during the Christmas season only six months before the official handover of Hong Kong from Britain to China. A neurotic anxiety pervades the colonial middle-class and mixes with a mounting religious hysteria among the mistreated Filipina amahs, the housekeepers who slave for Chinese and colonial households. Claire fears for the safety of her own newborn, Caspar. The visit to Hong Kong of Xavier's ex-lover Fabienne adds to her tensions as she investigates Petey's suspicious death.

"This biography of the young Stalin is more than the story of how a revolutionary was made: it is the first serious investigation, using the full range of Russian and Georgian archives, to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative. Suny takes seriously the first half of Stalin's life: his intellectual development, his views on issue of nationalities and nationalism, and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries. This book narrates an almost tragic downfall; we see

---

Stalin transform from a poor provincial seminarian, who wrote romantic nationalist poetry, into a fearsome and brutal ruler. Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution, focusing on the beatings he suffered at the hands of his father or his hero-worship of Lenins, or sensationalizing Stalin's involvement in violent activity. Suny seeks to show Stalin in the complex context of the oppressive tsarist police-state in which he lived and debates and party politics that animated the revolutionary circles in which he moved. Though working from fragmentary evidence from disparate sources, Suny is able to place Stalin in his intellectual and political context and reveal, not only a different analysis of the man's psychological and intellectual transformation, but a revisionist history of the revolutionary movements themselves before 1917"--

The Little Less Laura Ben-David / Mazo

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on

the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

In the 1720s and 1730s, Jean-Baptiste Oudry established himself as the preeminent painter in France of hunts, animals, still lifes, and landscapes. Oudry's Painted Menagerie focuses on a suite of eleven life-size portraits of exotic animals from the royal menagerie at Versailles, painted by Oudry between 1739 and 1752. These paintings eventually found their way into the ducal collection in Schwerin, Germany. Among them is the magnificent portrait of Clara, an Indian rhinoceros who became a celebrity in mid-eighteenth-century Europe. Her portrait has been out of public view for more than a century, and it is presented here in its newly conserved state.

Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New

York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

With a fresh approach to a common problem, this self-help guide to overcoming back pain advocates adopting the natural, healthy posture of athletes, young children, and people from traditional societies the world over. Arguing that most of what our culture has taught us about posture is misguided—even unhealthy—and exploring the current epidemic of back pain, many of the commonly cited reasons for the degeneration of spinal discs and the stress on muscles that leads to back pain are examined and debunked. The historical and anthropological

---

roots of poor posture in Western cultures are studied as is the absence of back pain complaints in the cultures of Africa, Asia, South America, and rural Europe. Eight detailed chapters provide illustrated step-by-step instructions for making simple, powerful changes to seated, standing, and sleeping positions. No special equipment or exercise is required, and effects are often immediate.
