James Hunt was a towering personality

with a commanding presence, a hugely glamorous public figure who brought Formula One motor racing to the attention of a whole new audience.

Triumphing against all odds to become World Drivers' Champion with McLaren in 1976, Hunt sank into a period of decadence and depression, only to be rejuvenated as he found true love for the first time. With that came personal contentment and a renewed zest for living, so that one of the most colourful and controversial figures in Grand Prix racing is best remembered by those close to him as a fun-loving, caring man who had a genuinely uplifting presence - qualities that shine through in Gerald Donaldson's compelling and moving account of his life.
