Technology has revolutionised every aspect of our lives and how we learn is no exception. The trouble is; the range of elearning technologies

and the options available can seem bewildering. Even those who are highly experienced in one aspect of elearning will lack knowledge in some other areas. Wouldn't it be great if you could access the hard-won knowledge, practical guidance and helpful tips of world-leading experts in these fields? Edited by Rob Hubbard and featuring chapters written by global elearning experts: Clive Shepherd, Laura Overton, Jane Bozarth, Lars Hyland, Rob Hubbard, Julie Wedgwood, Jane Hart, Colin Steed, Clark Quinn, Ben Betts and Charles Jennings - this book is a practical guide to all the key topics in elearning, including: getting the business

on board, building it yourself, learning management, blended, social, informal, mobile and game-based learning, facilitating online learning, making the most of memory and more.

High Growth Handbook is the playbook for growing your startup into a global brand. Global technology executive, serial entrepreneur, and angel investor Elad Gil has worked with high-growth tech companies including Airbnb, Twitter, Google, Stripe, and Square as they've grown from small companies into global enterprises. Across all of these breakout companies, Gil has identified a set of common patterns and created an accessible playbook for scaling high-growth startups, which he has now codified in *High Growth Handbook*. In

this definitive guide, Gil covers key topics, including:

- The role of the CEO
- Managing a board
- Recruiting and overseeing an executive team
- Mergers and acquisitions
- Initial public offerings
- Late-stage funding.

Informed by interviews with some of the biggest names in Silicon Valley, including Reid Hoffman (LinkedIn), Marc Andreessen (Andreessen Horowitz), and Aaron Levie (Box), *High Growth Handbook* presents crystal-clear guidance for navigating the most complex challenges that confront leaders and operators in high-growth startups.

paramount for using
it in court. And as
with any discipline,
there is an art to
the science of
forensic photography.
Contributing authors
from various

backgrounds—each experts in their field—have provided numerous case examples, best practices, and recommendations for recognizing, recording, and preserving evidence using cameras and the latest digital image technology, including video and other imaging technologies. Chapters present such topics as videography, drone photography, underwater photography, crime scene photography, autopsy photographs, fire documentation, forensic odontology, and more. The book closes with coverage of courtroom displays, presenting imaging evidence and

expert witness testimony in the courtroom. Handbook of Forensic Photography is a must-have reference for experienced crime scene photographers, death and crime scene investigators, police, and forensic professionals—including medical examiners, odontologists, engineers, and forensic anthropologists—who frequently need to capture investigative photographs in the course of investigations.

The sport compact performance market is hot and getting hotter - and while the Honda Civic and Acura Integra have long been the dominant players in the market, a newcomer is emerging as a popular car for performance

modifications - The Ford Focus. Well-built, inexpensive, good looking, and easy to modify, the Focus is quickly catching the Hondas in terms of market popularity. This book shows Focus owners exactly what it takes to improve their car's performance, from simple modifications like installing a new air intake to radical mods like installing a turbocharger. The author also shows what those modifications can do, with before-and-after dyno tests for each modification. There's also extensive info on suspension and brake modifications for better handling and braking. It's a

one-stop shop for those who want a sharper, faster Focus. Dimensions: 8-3/8 x 10-7/8 inches # of color photographs: None inside- color cover only # of black and white photographs: 300
