Maggie, the Reserve's chief, is swept off her feet, but Virgil, her teenage son, is less than enchanted. #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “ brilliant ” (Lupita Nyong ’ o, Time), “ poignant ” (Entertainment Weekly), “ soul-nourishing ” (USA Today) memoir about coming of age during the twilight of apartheid “ Noah ’ s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa ’ s history that must never be forgotten. ” —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah ’ s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents ’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa ’ s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man ’ s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother ’ s unconventional, unconditional love.

America, Incorporated A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America’s westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana’s stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Born a Crime Haynes Manuals N. America, Incorporated

Around the time legendary bounty hunter Boba Fett tumbled into the Great Pit of Carkoon, the Rebel Alliance discovered a secure, blast-proof bounty hunter's case holding Boba Fett's personal items. For years it remained hidden away. But now all who wish may unlock the secrets held within.... Press the buttons, insert the data card, and the case opens with sounds and lights. Housed within is a text of great import. At some point in his career Boba Fett bound together the latest edition of the Bounty Hunters Guild Handbook and a manifesto from Death Watch, the secretive splinter group of Mandalorians. Together, these volumes make up The Bounty Hunter Code. The handbook is an essential guide for all bounty hunters. Senior Guild members offer advice for hunters new to the Guild, a detailed list of the tools and techniques crucial to the "crimson trade," and the basics of making a living on the margins of galactic law. Boba Fett has scrawled additions and commentary in the margins throughout, as have the bounty hunters Greedo, Bossk, and Dengar, all of whom were once in possession of the Handbook. The Death Watch volume--part informational guide, part manifesto--is full of Death Watch history, philosophy, and discussions of key Mandalorian gear: their famous T-visors, their celebrated armor, and their impressive jetpacks. This Death Watch booklet was originally taken from Death Watch leader Tor Vizsla and given to Boba by his father, Jango Fett, and features handwritten notes from father to son. Boba in turn intended to leave it to his daughter, and so he's added his own annotations to aid in her education. The bounty hunter Aurra Sing and the pirate Hondo Ohnaka have added their commentary as well. Tucked beneath The Bounty Hunter Code is Cradossk's memoir, Making a Killing, a brutal account of his rise to the top of the Bounty Hunters Guild. From the creators of Book of Sith and The Jedi Path, in collaboration with Lucasfilm, The Bounty Hunter Code reveals the secrets of the hunt and offers insight into this demanding, dangerous, and misunderstood profession. The case includes: The Bounty Hunter Code The 48-page memoirs of Cradossk, former head of the Bounty Hunters Guild, with an inscription from the author to Boba Fett A Kamino saberdart Boba Fett's captain's license Boba Fett's arms permit Slave I's official operating license An Imperial wanted poster for Han Solo An inventory slip from the Rebel Alliance forces who discovered and seized Boba's property
