The book is about my life, my experiences, and the naked truth of human nature. The misunderstanding of racism, the value of education, dignity, and a change that can lead to unification of all people. Many must not be judged or condemned for the actions, mistakes and the misunderstandings of a few. I was victimized

but my victimization does not lead to condemnation, but it leads to education, motivation, and courage. Prioritizing ethical standards before money, and properties. One must understand stealing 25 cents is equivalent to stealing 25 million dollars. The value of one human life must be more valuable than million of dollars regardless of the situations. Finally, all police officers must be highly educated all over the United State of America.

## Jaguar Marks VII-X, 1, 2, XK, S and E Types Lloyd's Register

Jaguar is a beautifully photographed guide to the best Jaguar sports and saloon cars stretching back to the pre-war roadster, the SS100. Featuring specially commissioned photography, the book is arranged in chronological order, starting with Sir William Lyons' nascent marque of the 1930s. It was only after the war when the work of aerodynamicist Malcolm Sayer created the beautiful curves of the XK120 that the company became a world beater. The D-type brought the company sporting success at Le Mans, leading to a car that became emblematic of London in the swinging 60s, the E-type Jaguar. Production increased in the 1960s with the Mark I and Mark II saloons, latterly adopted by Inspector Morse. The Silk Cut Jaguar XJR-9 repeated the Le Mans success in the 1980s, but it was the sale of the company to Ford in 1990 that produced new models, the retro-styled S-type saloon and the E-type inspired XK8 sportscar. Sold to Tata Motors in 2008, the company has gone on to release more premium sportscars and prestige saloons, the Jaguar XF, the new XJ-series and the much-desired Jaguar F-type R.

## Motor Cycling and Motoring Valueguide

An affordable, lightweight sports car suitable for racing, the MG TC launched the sports car scene in postwar America. A wave of drivers first competed on the track in these and the later TD, TF and MGA models during the 1950s, many of them eventually moving up to Porsches, Alfa Romeos, Jaguars and Ferraris. Eighty such drivers, from the famous (e.g., Phil Hill, John Fitch, David E. Davis, Jr.) to lesser known men and women with equally vivid stories, are profiled in this book, which presents many of their recollections from firsthand interviews alongside a wealth of period photographs.
