Juris Publishing, Inc.  
Asset Forfeiture Law in the

United States - Second Edition serves as both a primer on forfeiture law for the newcomer to this area, as well as a handy resource for anyone needing a comprehensive discussion of any of the recurring and evolving forfeiture issues that arise daily in federal practice. The author is one of the federal government's leading experts on asset forfeiture law. As a federal prosecutor, he has been litigating asset forfeiture cases since the late 1980's, was a Deputy Chief of the Justice Department's Asset Forfeiture and Money Laundering Section for many years, and is now the Chief of the Asset Forfeiture and Money Laundering Section in the U.S. Attorney's Office in Baltimore, MD. *Asset Forfeiture Law in the United States - Second Edition* is a completely revised and up-to-date treatise that addresses important changes and significant developments in civil and criminal forfeiture law. Every chapter has been

---

rewritten as a result of the explosive growth in this area of law and practice. This comprehensive one-volume resource examines and explores the outpouring of new case law stemming from federal law enforcement agencies that include the FBI, DEA, IRS and Homeland Security. The Second Edition continues to lead the practitioner, prosecutor, judge and policy maker through the labyrinth of statutes, rules and cases that govern this dynamic area of the law. Many countries in Europe, Asia and Africa, as well as Australia and the Americas, have enacted asset forfeiture statutes modeled on U.S. law, making the cases interpreting the statutes relevant beyond the borders of the United States.

Lincoln Sport, Lincoln V12 engine. Excerpt: The Lincoln Continental was an automobile produced by the Lincoln division of Ford Motor Company from 1939 to 1948 and again from 1956 to 2002. Despite often sharing underpinnings with less-expensive Fords in more recent years, the Lincoln Continental had usually been a distinctively platformed and styled, highly equipped luxury car in the course of its long history. The flagship Lincoln model during most of its run, the Continental name conveyed special cachet in the product line. During the 1980s, the Continental was downsized from a full-size to a mid-size Ford Taurus platform; this introduced the Continental to a wider range of competition from Europe and Japan. After the Continental was discontinued in 2002, it was largely replaced by the Lincoln LS V8. contemporaneous image of 1942 Lincoln Continental coupe 1948 Lincoln Continental convertible The first Lincoln Continental was developed as Edsel Ford's one-off personal vehicle, though it is believed he planned all along to put the model into production if...
