Log Home Living is the oldest, largest and most widely distributed and read publication reaching log home enthusiasts. For 21 years Log Home Living has presented the log home lifestyle through striking editorial, photographic features and informative resources. For more than two decades Log Home Living has offered so much more than a magazine through additional resources—shows, seminars, mail-order bookstore, Web site, and membership organization. That's why the most serious log home buyers choose Log Home Living.

Commerce

Asset Forfeiture Law in the United States - Second Edition serves as both a primer on forfeiture law for the newcomer to this area, as well as a handy resource for anyone needing a comprehensive discussion of any of the recurring and evolving

forfeiture issues that arise daily in federal practice. The author is one of the federal government's leading experts on asset forfeiture law. As a federal prosecutor, he has been litigating asset forfeiture cases since the late 1980's, was a Deputy Chief of the Justice Department's Asset Forfeiture and Money Laundering Section for many years, and is now the Chief of the Asset Forfeiture and Money Laundering Section in the U.S. Attorney's Office in Baltimore, MD. Asset Forfeiture Law in the United States - Second Edition is a completely revised and up-to-date treatise that addresses important changes and significant developments in civil and criminal forfeiture law. Every chapter has been rewritten as a result of the explosive growth in this area of law and practice. This comprehensive one-volume resource examines and explores the outpouring of new case law stemming from federal law enforcement agencies that include the FBI, DEA, IRS and Homeland Security. The Second Edition continues to lead the practitioner, prosecutor, judge

and policy maker through the labyrinth of statutes, rules and cases that govern this dynamic area of the law. Many countries in Europe, Asia and Africa, as well as Australia and the Americas, have enacted asset forfeiture statutes modeled on U.S. law, making the cases interpreting the statutes relevant beyond the borders of the United States.
