have set for their two happen!

seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it

"An illustrated history of the development and introduction of the Mazda's MX-5 Miata, including the second- and third-generation cars up to the current day"--

**How to Build a
High-Performance
Mazda Miata
MX-5** Veloce
Publishing

At over 900,000 cars produced - and counting - the Mazda MX-5 holds the Guinness World Record as the best-selling two-seater sports car ever produced. And while mere numbers should not be the only

barometer of success, it has taken a car of the MX-5's talent to capture the imagination of both enthusiasts and the general motoring public alike. Mazda MX-5 - The Complete Story examines the design, development and production of this innovative sports car. Topics covered include: Details of the engine and drivetrain technology that gave the MX-5 its sharp handling and performance; Chronicles the stories of the engineers and designers behind the MX-5's success; Looks at the closest contemporary rivals to the car, and why

the MX-5 was far and away the most successful; Covers all special editions and the racing story; Includes a detailed buyer's guide for each generation, specification tables and owner's experiences. A concise, detailed guide to this groundbreaking and innovative sports car. Superbly illustrated with 200 colour photographs. Antony Ingram is a freelance motoring writer and is passionate about classic cars and modern performance vehicles.

Haynes Manuals N. America, Incorporated
Researched and written in Japan with the full co-operation of the factory, The Book of the Mazda MX-5 Miata is the definitive story of the second generation of Mazda's MX-5 - the car that re-invented the affordable

lightweight roadster, a species that was thought to be extinct as the 1990s drew near. Successful immediately, the MX-5 (also known as the Miata, or Roadster) spawned many imitators, but remains the world's biggest selling sports car. The series has now been in production for almost 30 years, with new generations following the concept of the original, much to the delight of fans all over the world.
