"Being sensible that I am unable to do any thing without God's help, I do humbly entreat him, by his grace, to enable me to keep these Resolutions, so far as they are agreeable to his will, for Christ's sake. Remember to read over these Resolutions once a week. 1. Resolved, That I will do whatsoever I think to be most to the glory of God, and my own good, profit, and pleasure, in the whole of my duration; without any consideration of the time, whether

now, or never so many myriads of ages hence. Resolved, to do whatever I think to be my duty, and most for the good and advantage of mankind in general. Resolved, so to do, whatever difficulties I meet with, how many soever, and how great soever. 2. Resolved, To be continually endeavouring to find out some new contrivance and invention to promote the forementioned things. 3. Resolved, If ever I shall fall and grow dull, so as to neglect to keep any part of these Resolutions, to repent of all I can remember, when I come to myself again. 4. Resolved, Never to do any manner of thing, whether in soul or body, less or more, but what tends to the glory of God, nor be, nor suffer it, if I can possibly avoid it. 5. Resolved, Never to lose one moment of time, but to improve it in the most profitable way I possibly can. 6. Resolved, To live with all my might, while I do live....

"These resolutions [of Jonathan Edwards],

are, perhaps, to persons of every age, but especially to the young, the best uninspired summary of Christian duty, the best directory to high attainments in evangelical virtue, which the mind of man has hitherto been able to form," said S. E. Dwight. Cotton Mather thought to develop special rules for pride alone. Philip Doddridge was sensible that his heart had an inclination to depart from God. Brother Lawrence said "to establish ourselves in a sense of God's presence by continually conversing with Him." Adoniram Judson said, "God grant me grace to keep the above rules, and ever live to his glory, for Jesus Christ's sake." The resolutions allow one to see examples of the life of holiness that the Spirit of God enables Christians to follow.

The Pastor as Theologian Ravenio Books
Furthermore, confessions and creeds serve to help assure that the doctrinal faith that we articulate today has not subtly changed over time, subject to the warping influence of secular society. Creeds stand as ancient landmarks denoting the "location" of believers' hearts in history. Noting where one deviates from an ancient creed gives a person a distinct idea about where his or her own theological convictions stand in relation to other believers throughout history. Perhaps this also helps us to discover what direction we are moving.

Are we moving closer to Christ? To God's Word? To the heart of God Himself? Or are we moving further away? The confession that I will be recommending to you in this volume is the standard-bearing creed in the Presbyterian or Reformed branch of Christianity. Influenced heavily by the thinking of Reformation theologian John Calvin (1509-1564), the Westminster Confession (1647) is a confessional exemplar of Reformed theology.² The Westminster Confession of Faith is the premiere example of theological intellectualism absorbed in the beauty of the sovereignty of God. The Westminster Confession, and Calvin before it for that matter, were both completely committed to the theological concept that God is sovereign over the entire universe. Therefore, as you study this Confession you will undoubtedly encounter the Living God as ruler of the cosmos, the world, the events of your life, and hopefully your heart.

Jonathan Edwards, a leader in the Great Awakening during the eighteenth century, still has much to teach the church. Evangelicals are rediscovering him through the efforts of several authors (John Gerstner, Iain Murray, Harry Stout, and others) and publishers (Banner of Truth, Soli Deo Gloria, and Crossway). Stephen Nichols offers Jonathan Edwards as an introduction, a gateway into the vast and rewarding life, thought, and writings of Jonathan Edwards. He intends it for anyone who wants to read Edwards but who needs

a little help.

Martin Luther's Ninety-Five Theses Martin Murphy

'Stephen Cottrell writes about Christ as if he were here now. As if redemption were possible for all of us, as if the void that threatens to engulf us all could be filled by a personal relationship with Christ in the present. He is a compelling writer.'

- Russell Brand Inspired by a conversation with a barista who asked him why he became a priest, this is the Archbishop of York Stephen Cottrell's extended answer to that question - as well as the letter he'd like to write to a divided country that no longer sees the relevance or value of the Christian narrative. Archbishop Stephen is a much-admired voice within the church, but in this book he writes for a more general audience, and those who might call themselves spiritual seekers - as well as anyone who is concerned about the life and unity of the UK. A short, beautiful book, this is at once both contemplative and deeply practical, which will speak to both Christians and those on the edges of faith. 'A deeply thoughtful exposition of faith's transformative power, Dear England gave

me hope, not only for the future of Christianity, but for a changed world too.'

Marriage to a Difficult Man Harvest House Publishers

"He was one of distinguished natural abilities, as all are sensible who had acquaintance with him. As a minister of the gospel, he was called to unusual services in that work; and his ministry was attended by very remarkable and unusual events ... He had a peculiar opportunity of acquaintance with the false appearances and counterfeits of religion; was the instrument of a most remarkable awakening ... In the following account, the reader will have an opportunity to see not only what were the external circumstances and remarkable incidents of the life of this person, and how he spent his time from day to day, as to his external behavior; but also what passed

in his own heart." --Jonathan Edwards David Brainerd, an early missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania, died in 1747 at the age of twenty-nine at the home of his long-time friend and supporter, the eminent Puritan theologian and preacher Jonathan Edwards. It is thanks to Edwards' careful preservation and thoughtful editing of his friend's Diary and Journal that Brainerd has influenced Christians all over the world for over 250 years. As he labored in what was still the untamed American frontier to bring the Gospel to the Indians, Brainerd faced many challenges, including depression, loneliness, and physical illness. Yet his genuine piety and single-minded devotion to God, both in heart and in practice, form a consistent backdrop to his turbulent inner world. This compilation offers a rare glimpse into the life of a man compelled by God to share His love with others in the most difficult of circumstances.

Feeling overwhelmed and unproductive?

The answer isn ' t to do more. What image forms in your mind when you think of productivity? An assembly line?

Spreadsheets? Business suits or workplace uniforms? In the ancient world,

productivity didn't conjure images like these. Instead, it referred to crop yield and fruit bearing. This agrarian imagery helps

us understand productivity through a biblical lens. Jesus taught, By this my Father is glorified, that you bear much fruit

(John 15:8). Who doesn ' t want to have a truly productive life—to bear much fruit?

But how does this happen in the places we hold dear—the home, workplace, and in our communities? We often feel

overworked and overrun, defeated and discouraged. The world says be productive so that you can get all you can out of this life. The Bible says be productive so you can gain more of the next life. In

Redeeming Productivity, author Reagan Rose explores how God ' s glory is the purpose for which He planted us. And he

shows how productivity must be firmly rooted in the gospel. Only through our connection to Christ—the True Vine—are we empowered to produce good fruit. This book shows how we can maintain the vitality of that connection through simple, life-giving disciplines. Readers will discover manageable applications like giving God the first fruits of our days. Additionally, Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity.

My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is about. It's for teenagers eager to reject the status

quo and low standards our culture sets for us. It's for those of us who don't want to spend the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything—our relationships, our time, our sin, our habits, and more—freeing us to live joyful, obedient, and Christ-exalting lives, even while we're young.
