Design As Art is a series of short essays filled with social commentary and criticism related to art and design. I think Munari does a great job challenging the reader to think about ways to improve design (making it more accessible), however at times I got lost by his subjective ramblings.

79 Short Essays On Design

This essay asks you to explain the reason for a trend (or a one-time event) or a phenomenon (a trend which is increasing in popularity). Generally, a good cause topic doesn't have an easy explanation and may be something that people argue about. In fact, your essay doesn't have to have the answer for the cause or effect.
