The deceased are judge and jury. They have an executioner. Kelly Jenks knows the dead boy is going to show him something awful. Jonathan is seven. He never wears shoes, and his feet are always clean. He cruises between this world and the next in a 1967 Cougar XR7. Jonathan has a message for Kelly: There is a faceless man preying on the city's homeless. Jackie Carmichael hires Kelly to find an employee who has vanished. The case appears simple at first, but Kelly soon discovers that the missing girl is not who she seems. As Kelly attempts to separate the facts from the lies, Jonathan brings him another message: Jackie Carmichael is hiding something. With the beaches, mansions, and dive bars of Orange County, CA as the backdrop, *Caffeine & Nicotine* is a dark and brutal look at what happens when the dead pass sentence.

A Day with Sam John Wiley & Sons

From the bestselling author of *My Ex-Best Friend's Wedding* comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives. When the concierge of The Alexander, a historic Atlanta apartment building, invites his fellow residents to join him for weekly screenings of *Downton Abbey*, four very different people find themselves connecting with the addictive drama, and—even more unexpectedly—with each other... Samantha Davis married young and for the wrong reason: the security of old Atlanta money—for herself and for her orphaned brother and sister. She never expected her marriage to be complicated by love and compromised by a shattering family betrayal. Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander, and for a new and productive life. But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all. And then there's Brooke MacKenzie, a woman in constant battle with her faithless ex-husband. She's just starting to realize that it's time to take a deep breath and come to terms with the fact that her life is not the fairy tale she thought it would be. For Samantha, Claire, Brooke—and Edward, who arranges the weekly gatherings—it will be a season of surprises as they forge a bond that will sustain them through some of life's hardest moments—all of it reflected in the unfolding drama, comedy, and convergent lives of *Downton Abbey*.

This silver anniversary edition of Dave Coverly's Reuben award-winning *Speed Bump* collects 300 of his best cartoons into one full-color book. 25 years of ideas. 25 years of drawings. 25 years of coffee. Man, that's a lot of coffee. Coverly's work has appeared in over 400 newspapers, including the *Washington Post*, the *Los Angeles Times*, and the *Detroit Free Press*, as well as in *Parade* magazine, textbooks, greeting cards, and even on that internet thingy. Dry and gentle not only describes Dave's hands, but his sense of humor as well. And while there are no guarantees in life, this new collection of *Speed Bump* cartoons hopes to make

you think, smile, snort awkwardly, rethink, pause for a bathroom break, maybe get a second cup of coffee, and return to read a few more before realizing you really should be doing something a little more productive.

When installing or servicing an air conditioning or refrigeration system, two of the most important tasks performed by technicians are refrigerant recovery and system evacuation. In order to perform these tasks properly, and in a safe manner, technicians need to understand the theory behind them, having a working knowledge of the equipment and tools used, and employ accepted industry best practices. This e-book walks through each step of both tasks, while covering safety, theory, and application. Also covered are leak detection methods and filter drier use. System Recovery and Evacuation was written by HVACR instructors for HVACR instructors to provide sound, relevant information in a single source. This e-book provides students and practicing technicians with the information and knowledge necessary to understand refrigerant recovery, system evacuation, leak detection, and filter driers. It is full of color illustrations and includes worksheets that provide students and practicing technicians with the information and knowledge necessary to accurately and safely install or service air conditioning and refrigeration systems. The end of the e-book contains fill-in-the-blank questions that review the content of the entire manual.
