Ford Bronco Penguin

The Ford Bronco is a sport utility vehicle that was produced from 1966 to 1996, with five distinct generations. The Bronco permanently entered American popular culture on June 17, 1994, when a white 1992 model owned and driven by Al Cowlings with O. J. Simpson, who was wanted for the murders of his ex-wife and her friend, attempted to elude the Los Angeles Police Department in a low-speed chase, which was nationally televised and viewed by millions nationwide. This is complete story from conception through discontinuation in 1996, told by historian (and well-known "Ford guy") Paul McLaughlin utilizing his large collection of photographs, brochures, ads and other promotional material. Follow the Bronco's various incarnations from a small sport utility vehicle of the 1960s and 1970s into the larger full-size Bronco of the

1980s and 1990s, special models like the "Bill Stroppe Edition", "Eddie Bauer Specials", the Bronco II and other juicy tidbits like the Bronco concept vehicle that Ford took on the car show circuit in 2005 (which got Bronco enthusiasts so excited that Ford was going to add a Bronco vehicle to their lineup once again). Also covered are the Broncos that were raced in off-road desert racing, Bronco toys and other collectibles, specification sheets, production numbers, and other interesting facts. Finally, a book for all Bronco enthusiasts!

Big Book of Cars DK Publishing (Dorling Kindersley)

"A gloriously good writer...Ranger Games is both surprising and moving...A memorable, novelistic account."—Jennifer Senior, New York Times Intricate, heartrending, and morally urgent, Ranger Games is a crime story like no other Alex Blum was a good kid, a popular high school hockey star from a tight-knit Colorado family. He had one goal in life: endure a brutally difficult selection program, become a U.S. Army Ranger, and fight terrorists for his country. He poured everything into achieving his dream. In the first hours of his final leave before deployment to Iraq, Alex was supposed to fly home to see his family and beloved girlfriend. Instead, he got into his car with two fellow soldiers and two strangers, drove to a local bank in Tacoma, and committed armed robbery... The question that haunted the entire Blum family was: Why? Why would he ruin his life in such a spectacularly foolish way? At first, Alex insisted he

thought the robbery was just another exercise in the famously daunting Ranger program. His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult. In the midst of his own personal crisis, and in the hopes of helping both Alex and his splintering family cope, Ben Blum, Alex's first cousin, delved into these mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer's manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test.
