The American Dream - The Chevrolet Impala 1958-1971 examines the evolution of the popular Chevrolet Impala from the late 1950s stylish 'specialty' vehicle to become Chevrolet's best-selling, iconic model in North America. In addition, this volume focuses on specifications, rarer performance models, industry facts and figures and optional equipment, through detailed text, brochure and advertising images, along with previously unpublished photographs. The important role played by the Impala for Chevrolet is also examined, as well as GM as a whole from its top-of-the-line, 'specialty' model status to its broad range of body styles and mainstream, volume production model
