An anthology of
stories of football

played on the gravel fields and in the ever present mud of Tasmania's west coast. Like the fluctuating fortunes of the nearby mining towns that dominate the remote West Coast, local football has had its ups and downs, but passion, pride and parochialism have combined to weave a tough and fascinating history.

- A hip-hop road trip travel guide through 6 European countries following in the footsteps of rappers, graffiti artists, DJs, and breakdancers -
Organized by Porsche in

collaboration with hip-hop expert Niko Hüls - Hip-hop is not just a clothing style or a music genre -- hip-hop has the power to connect people from different countries and backgrounds and to hand down values like respect, tolerance and passion from generation to generation Hip-hop expert and Backspin publisher Niko Hüls, together with Porsche, has created a new travel guide to Europe's hip-hop music and culture. Far from promotion tours or concert halls, Hüls meets and talks to rappers, DJs, street performers and breakdancers. Part of Porsche's 'Back 2 Tape' documentary series, this guide sheds a light on the influence of urban hip-hop youth culture in European cities. With 17

artists from Germany, the Netherlands, the UK, France, Spain and Denmark, it combines portraits of hip-hop stars such as Kool Savas (Berlin), Lord Esperanza (Paris), Edson Sabajo (Amsterdam), Falsalarma (Barcelona), Lars Pedersen (Copenhagen) and the Flying Steps (Berlin) with destinations that every hip-hop and road trip fan in Europe should visit. "This book is an invitation to encounter European hip-hop culture with all its diversity in an open and positive way..." Niko Hüls

* A beautifully illustrated history of the infamous Nürburgring race track. The Nürburgring race track, located in Nürburg, Germany, is a Grand Prix track, built in 1984, coupled with a much longer 'North Loop' track built in the 1920s.

Nicknamed 'The Green Hell' by Jackie Stewart following his victory in the 1968 Grand Prix, the race track has been a source of endless fascination for anyone involved in or following motorsports - partly because of its history and partly because of the challenge it provides. Notoriously unforgiving and difficult, the track was the location of Niki Lauda's horrific crash during the 1976 German Grand Prix. The official book of the Nürburgring GmbH jubilee, and published alongside the release of a film, 90 Years of Nürburgring offers an insight into the track that's never been shown before. Author Hartmut Lehbrink has interviewed race drivers to capture the history and raw emotion of

Nürburgring. Beautifully illustrated, this is an absolute must for all those with even just a passing interest in motorsports.
