The violent end of an architect leads Juliano, living at the foothills of the Himalayas in India, on a strange trail across the globe to uncover a sinister plot that is so explosive that some might do anything to prevent it from coming to light. With stakes so high, Juliano finds himself moving from the backstreets of Pisa to the bars in Moscow, finding things unknown to most. As he desperately looks around, he comes across several others who are running and following blood trails across Europe and North America. From the sleepy suburbs of Toronto to the trend-setters in Washington D.C. and Monaco, there are sinister forces following them that will stop at nothing. The chase, the pace will continue to get even more frantic and ruthless as the young and restless all cross hurdles and search for clues until they merge at a common place and common thread. With billions of dollars at stake, in the invisible world of assassins and cryptocurrencies, they need to fight together to survive—and find the traitor amongst them. Odds are against them and they are doomed to fail unless... they all came back.
